

SHARP AND KEEN" WAS THE OLD Sheffield motto, but it does not apply literally to much of the cutlery made now—days for export. Celebrated makers have used good stuff and made fortunes by charging high prices. Our success consists in using the finest steel, finishing equal to the best, and selling at moderate prices. The

TELEGRAPHY.

YOUNG MEN AND LADIES desiring to qualify for the numerous situations which will soon be offered on the several Telegraph Lines, are invited to attend at the Dominion Telegraph Institute, No. 75 St. James Street. The mode of instruction followed in this Institute has received the approval of the highest authorities in the country, and the best proof we can offer is that all the new situations filled within the last two or three years have been so filled by pupils from this Institute. As to the success of the method followed here, read the following testimony:

"COOKSHIRE, 21st December, 1872.
"To Mr. MORGAN, Proprietor of the Dominion Telegraph Institute:

SIR,—I hereby certify that only eight weeks' study and practice in the DOMINION TELEGRAPH INSTITUTE has enabled me to receive messages at the rate of 23 words a minute, and that I consider the mode of instruction followed as excellent.

"Yours, etc., "S. J. OSGOOD."

The regular course is three months; but, as will be seen by the above testimony, intelligent persons can qualify in much less time. Proficient pupils have the advantage of practicing on a regular line, and of being placed on a large circuit.

The terms for the course is THIRTY DOLLARS. The use of the instruments included. All the accessories of the school are new and complete.
