#### HOME NEWS.

G. S. Grimmer, Esq., of Chamcook, N. B., recently presented to the Church of that place a Wilcock & White Cabinet Organ.

A sad drowning accident occurred on Sunday last, whereby Lieut. Bully, a promising young officer of the 97th Regt., lost his life.

It is expected that between four and five hundred delegates will be present at the Masonic Grand Lodge meeting which opened at Guelph on Wednesday.

Ottawa, July 12 - Returns of lumber exports from Ottawa show an increase of period last year.

Between five and six hundred sailors and marines from H. M. S. " Northampton" turned out on the Halifax Common on Monday for review, which was witnessed by about 3000 spectators.

Ottawa, July 12 .- It is rumored here that the Grand Trunk authorties are negotiating for the purchase of the charter of the Coteau and Ottawa Railway, with the view of building the line as a feeder of the Grand Trunk.

party consists of four head men for locating the line, five transit men, and ten levelless. Mr. James B. Hegan, C. E., of St. John, is among the head men.

St. John, N. B., July 12 .- As the train on the St. John and Maine Railway containing the Orange excursionists was approaching Enniskillen Station this morning a man named Patrick McGillan, about 60 years of age, attempted to cross the track about six feet in front of the engine. He was struck by the train and injured so that he died a short time after.

North Sydney, C. B, July 10.-The barque "John Johnston, 600 tons, of Annapolis, N. S., Capt. John Rooney, from Dublin to New York, arrived at this port last evening about 8 p. m. The mate and crew, the Captain having died of small-pex while at sea, on Tuesday, July 6th, and buried.

Messrs. F. Shaw & Bros., the noted tanners, who have extensive establishments in Maine, Massachusetts and Quebec, and who are creeting works at Poquiock, on the St. John, last week effected the purchase of some 15 acres of land on the front of Mr. Smith's farm Lower Corner, Woodstock, on which they propose to erect a large establishment for the manufacture of leather-

The annual meeting of the Exchange Bank was held at Montreal on Monday. There was a large attendance of share holders. After submitting the report, and statement of affairs for the past year, the President stated that the seven directors had assumed the loss of \$28,000, which had arisen from the loss on telegraph shares which ex-Cashier Murray had incurred.

The annual statement of the qualitity and value of sugar imported into the port of Halifax, shows the following most satisfactory condition :-

Year ending 30th June. 1878. 
 ending Noth Jone.
 Quantity.

 1878.
 7,731,284 lbs.

 1879.
 13,025,050 lbs.

 1860.
 27,463,565 lbs.
 \$401,201 \$471,866 \$940,913

This shows an increase in the last year of close upon 100 per cent, in value

The German Academy of Naturalists have created Henry Stanley a Doctor of Philosophy for his African explorations

New York, July 12.—Six children and ten adults died from the heat in the 24 hours ending at noon on Sunday.

Advices from Western Kansas state that hundreds of families suffering from drought are on fheir way to Oklahoma

London, July 12.-A fiat has been applied for to carry the appeal in the Tichberne claimant case to the House of 124 Granville Street, Halifax.

Constantinople, July 12.—It is reported that in the last Council of State Mahmond Nedim Pasha, Minister of the STAINED GLASS for Churches Interior, strongly urged the acceptance of the demand of Europe. Abedin Pashk,
Minister of Foreign Affairs, professes the
opinion that real opposition comes from
the Callian Box 226, Stapleton, Richmond 

New York, July 12 .- Dr. Tanner completed a fast of 14 days at 12.30 and expresses confidence of completing the forty days.

St. Petersburg, July 12.—Sensational rumors are current that the Czar is conplating an early abdication, retiring to Florence, and purchasing the place of San Donato.

Paris, July 12. It is announced that up to the present time 130 magistrates and other legal functionaries have resigned their office rather than aid in the enforcement of the decrees of banishment against unlicensed religious orders.

London, July 12.—The competition at Wimbleton opened this morning. The weather is favorable, there being a bright exports from Ottawa show an August 131,516 for the quarter ending June 30 diagonally across the range. The attendance of spectators to witness the shooting sunshine, with a moderate wind, holding is large.

The movement against the Napoleon memorial is being steadily organized in various parts of England. A public meeting will shortly be held in London before the resolution on the subject is brought forward by Parliament. Dean Stanley makes no sign, and the monument approaches completion.

A writer to the London Times shows that New Zealand is now in a deplorable state, thousands being on the brink of A party of engineers and surveyors, engaged in Quebec to locate the Newfoundland Government Railway, left Halifax on Tuesday for St. John's. The Halifax on Tuesday for St. John's. The land, may be obliged to make an appeal to the world for aid in her atraits, to which, he says, she has been reduced by over sanguine and ambitious statesmon.

#### POVERTY AND SUFFERING.

"I was dragged down with debt, poverty and suffering for years, caused by a sick family and large bills for doctoring, which did them no good. I was completely discouraged; until one year ago, by the advice of my paster, I procured Hop Bitters and commenced their use, and in one month we were all well, and none of us have seen a sick day since and I well, and none of us have seen a sick day since and I well, and none of us have seen a sick day since, and I want to say to all poor men.
you can keep your families well a year with
Hop Bitters for less than one doctor's visit
will cost—I know it. A WORKINGMAN."
