#### Mercantile Summary.

A SETTLEMENT on the basis of 30 cents on the dollar has been effected by Messrs. Johnston, Russell & Co., of Montreal, jobbers in grocer's sundries, canned goods, &c.

URBAIN THEREAULT, general store keeper at Lambton, Que., has assigned to H. A. Bedard, Quebec. He owes \$5,800, and shows assets of \$7,900, nearly all of which are in real estate and property interests of a very doubtful value, so much so, that he declined to make any offer of compromise.

A GENERAL dealer of St. Anne de la Perade, Que., J. U. Marcotte, whose indebtedness is principally in Quebec, has failed. His business liabilities are \$1,697, aside from which he has a mortgage indebtedness to the extent of \$2,800; apparent assets about \$3,500. He has offered 20 cents; creditors suggest that he should make it 25 cents secured.

A BIG clothing house in New York has suspended. The firm was known as "Baldwin the Clothier." And this leads us to remark that a prominent clother of St. Louis said there was enough ready-made clothes and of woollen clothes in the United States to last four years. If this is true we may have an era of cheap wearing apparel.

THE liabilities of Mesers. Wilson & Lamb, publishers, Montreal, whose failure we have already referred to, are larger than at first supposed. They foot up to over \$11,863, with assets nominally \$12,800, but subject to great reductions. The estate will be wound up, and is advertised for sale. The firm had in hand "L'Istoire des Francais Canadiens," by Benj. Sulte, upon which much elaboration was being bestowed.

Amongst the many sufferers by the Port Perry fire was Mr. T. S. Corrigan, a general store keeper in that town. His loss, only partially covered by insurance, was so serious, that he has been compelled to assign his remaining assets to creditors, who have granted him a discharge, and are also generously supplying him with goods to stock his new store. Mr. Corrigan is said to be an energetic man, and his friends think that he is deserving of the assistance he is receiving.

Owing to the difficulties of the Steel Company of Canada, at Londonderry, N. S., work at Chignecto Mine has been suspended for the present, says a maritime province exchange, and the employees, except caretakers, were paid off and discharged. The property is to be transferred to other hands about the 14th of August, when BUTTONS,
LACE GOODS,
PRILLINGS,
TAILORS BRAIDS.
