A purely mutual Company, avoiding all hazardous risks

Capital 1st of January, 1871.....\$231,242 25
Cash and Cash items.....77,289 50
In hands of Dominion Government.....25,000 00

THIS old, well established, and reliable Company, continues to do the largest Farmers' business of any Company in Canada. For the month of June, 1871, it issued the unprecedentedly large number of 1854 Policies! a greater number than the total yearly issue of many Companies.

Intending insurers will note:—
1st. That its rates are as low as those of any responsible Company in the Dominion, and lower than those of a great many.

2nd. That parties insuring have the choice of either the Premium note or cash systems, and that on either system the Premium stated in the Policy constitutes the whole liability of the member.

3rd. The large amount of cash on hand enables it to meet all its engagements promptly.

4th. Being purely mutual, all profits accumulate for the benefit of the members, and are paid away to go into the pockets of stockholders, as is the case in proprietary companies.

Having in the last ten years distributed over \$400,000 in settlement of losses, and ever having been up to the mark in paying honest claims, and meeting all its engagements, the Directors look forward for a continuance of the preference already shewn in favor of this Company over all foreign offices and new local ventures.
