NEW BUSINESS, SUM ASSURED, 1871,

\$41,804,027.00.

This Society has led the van in the Insurance world for  
many years; it has introduced more improvements and  
given greater impetus to the business than any Life Com-  
pany in the United States, and is deserving in this respect  
of the praise and gratitude of the community.

There are many reasons for selecting the EQUIT-  
ABLE LIFE ASSURANCE SOCIETY.

FIRST—No Company has such large annual transac-  
tions, thereby infusing into its business a constant acces-  
sion of fresh and selected lives, which is one of the great-  
est elements of strength.

SECOND—Liberality in dealing with all claims: ob-  
serving, at the same time, a due regard to the interests of  
its present large body of Policy-holders by a firm resis-  
tance to any attempt at imposition.

THIRD—Perfect organization in every department,  
which renders official information easily attainable and  
secures a complete administration of its affairs.

FOURTH—Being one of the most progressive insti-  
tutions of its kind in the world, it is ever prepared to  
seize at once upon all the improvements in the business  
that Science can suggest.

The EQUITABLE LIFE ASSURANCE SO-  
CIETY issues every recognized form of Policy, and  
especially the

FONTINE SAVINGS FUND INSURANCE,  
which the Company introduced. This new plan has be-  
come very popular, as equalizing among all who are in-  
sured under it the advantages which arise from the pro-  
fits of the business, without in any respect infringing up-  
on the normal results for which Life Insurance was first  
instituted.

The EQUITABLE feels that it has the strongest  
claims upon public confidence. Under the management  
that distinguishes it and the principles by which it is  
guided, perfect security is given for the future, than which  
no greater inducement can be held out to all wishing to  
insure their lives.

Policies issued by the Society can readily be obtained at
