

QUIPS AND CRANKS.

"Here's another blow at American agriculture," said the farmer when he saw a cyclone coming.

Little Ben accidentally swallowed one of his teeth. When he told Tom about it, Tom said: "Well, Ben, you will have stomach teeth now."

TAKE A PLEBISCITE.

Should a plebiscite be taken it would be found that Burdock Blood Bitters is by long odds, the most successful and popular cure for dyspepsia, headache, constipation, biliousness, bad blood, etc. It is purely vegetable.

At the dinner-table one day Sister Anna said: "I do not like Mr. Smith's remarks; he talks too much." To which little Mamie added: "He's quite remarkable, isn't he, sister?"

TIMELY WISDOM.

Great and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Strawberry on hand. It has no equal for cholera, cholera morbus, diarrhoea, dysentery, colic, cramps and all summer complaints, or looseness of the bowels.

He: "I am rather in favour of the English than the American mode of spelling." She: "Yes?" He: "Yes, indeed! Take 'parlour,' for instance. Having 'u' in it makes all the difference in the world."

A gentleman apologized for words uttered in wine—"I did not mean to say what I did, but I've had the misfortune to lose some of my front teeth, and words get out every now and then without my knowledge."

A CLOSE RESEMBLANCE.

Many symptoms of Canadian cholera are similar to those of the real Asiatic cholera, such as vomiting, purging, intense pain, etc. For all these symptoms, Dr. Fowler's extract of Wild Strawberry is a safe and sure specific. Price 35 cents at druggists.

Husband: "Have you completed your list of persons to be invited to the reception?" Wife: "Yes." H: "You have invited only the best people?" W: "The very best." H: (examining the list): "And these are all?" W: "All, excepting the two detectives, who are to be here incog. to see that nothing is stolen."

A PROMPT CURE.

Gentlemen,—Having suffered over two years with constipation, and the doctors not having helped me, I concluded to try B. B. B., and before I used one bottle I was cured. I can also recommend it for sick headache.

Ethel D. Haines, Lakeview, Ont.

"I'm disgusted with this yer water supply," remarked a coloured gentleman, as he took a drink at a hydrant. "What's the matter with it?" asked a man who heard him. "Why the city is runnin' ice-water now it's cold weather, but in summer, when yer want ice-water, it's as warm as you please."

It is not what its proprietors say, but what Hood's Sarsaparilla does, that tells the story of its merit. Hood's Sarsaparilla cures. "I was deaf for a year, caused by catarrh in the head, but was perfectly cured by Hood's Sarsaparilla." H. Hicks, Rochester, N. Y.

An inexorable professor of logic from a Russian university, driven into exile with his fellow-Hebrews, found temporary employment in New York as conductor of a street-car. Two women got on together one day, and, later, signalling the conductor, begged to be let off at different streets. Then the logician, pausing before his astonished passengers, said, with conviction: "No, you haf gotten together, and consequently you vill get together," and so they did.
