

- Verify that no new weapon systems are introduced which qualitatively or quantitatively alter current inventories of war *matériel*, and that weapons prohibited in this Act are neither introduced nor used.
- Establish a register of all weapons transactions carried out by the Parties, including donations and any transfer of war *matériel*.
- Verify fulfillment of the commitment by the States Parties to initiate and complete the constitutional procedures for signing, ratifying or acceding to the treaties and other international agreements on disarmament and follow-up actions directed to that end.
- Receive simultaneously from the Parties the list of foreign military bases, schools and installations and verify their dismantlement, in accordance with the provisions of this Act.
- Receive the census of foreign military advisers and other foreign elements participating in military and security activities and verify their withdrawal in accordance with the recommendations of the Verification and Control Commission.
- Verify compliance with this Act in respect of traffic in arms and consider any reports of non-compliance. For that purpose the following criteria shall be taken into account:
 - (1) Origin of the arms traffic: port or airport of embarkation of the weapons, munitions, equipment or other military supplies intended for the Central American region.
 - (2) Personnel involved: persons, groups or organizations participating in the organization and conduct of the traffic in arms, including the participation of Governments or their representatives.
 - (3) Type of weapon, munitions, equipment or other military supplies; category and calibre of weapons; country in which they were manufactured; country of origin; and the quantities of each type of weapon, munitions, equipment or other military supplies.
 - (4) Extra-regional means of transport: land, maritime or air transport, including nationality.
 - (5) Extra-regional transport routes: indicating the traffic routes used, including stops or intermediate destinations.
 - (6) Place where weapons, munitions, equipment and other military supplies are stored.
 - (7) Intra-regional traffic areas and routes: description of the areas and routes; participation of governmental or other sectors in or consent to the conduct of the traffic in arms; frequency of use of these areas and routes.
 - (8) Intra-regional means of transport: determination of the means of transport used; ownership of these means; facilities provided by Governments, governmental and other sectors; and other means of delivery.
