Sendai International Cultural Exchange Center International Relations Section 3-7-1 Kokubuncho, Aoba-ku Sendai, Miyagi

Hotels

Accommodation is available in the following hotels:

Interpretation Services

Outside the metropolitan Tokyo area, English and French are not widely understood. It is in the visitor's best interests to be able to communicate effectively with prospective clients.

A professional interpreter with experience in business communication can also provide an objective assessment of discussions, especially in cases where what was not said is just as important as what was.

Tel: (022) 266-3171

Interpreters are available through the following companies:
