

FOUNDATION FOR EDUCATIONAL EXCHANGE
BETWEEN
CANADA
AND
THE UNITED STATES OF AMERICA

Bylaws

ARTICLE 1

General

1. The purpose of this Foundation is to increase understanding between Canada and the United States of America by providing opportunities for educational exchanges for Canadian and American post-doctoral scholars as well as graduate students and to facilitate communications to foster better understanding between the two countries.
2. The members of the Foundation are those persons who from time to time hold office as directors of the Foundation, provided that any person who ceases to be a director of the Foundation shall automatically cease to be a member.
3. All references to members of the Board, Board members, directors and members in these bylaws shall be read in light of the fact that the same persons are both the directors and members of the Foundation.

ARTICLE 2

Scope of Activities

1. The Foundation shall:
 - a) plan, adopt and carry out educational exchange programs in fields related to Canadian Studies in the United States, American Studies in Canada, or the relationship between the two countries;
 - b) develop a comprehensive proposal for Foundation programs each fiscal year detailing their scope, the academic areas of concentration, types of grants and similar general guidelines;
 - c) authorize the making of grants and the disbursement and the advancement of funds necessary for the carrying out of programs;
