

ARTICLE 1

This Arrangement defines the terms of Canada's participation in the European Space Exploration Programme "Aurora".

ARTICLE 2

Canada shall, for the purpose of the execution of the European Space Exploration Programme "Aurora" and in accordance with the terms of this Arrangement, have the rights and obligations of a participating State as laid down in the Declaration on the European Space Exploration Programme "Aurora" referred to in the preamble, in the Implementing Rules applicable to the Programme and in any other decisions governing the execution of that Programme.

ARTICLE 3

Canada shall contribute to cover the expenditure resulting from the execution of the European Space Exploration Programme "Aurora" in accordance with the provisions of the Declaration referred to in the preamble and of any subsequent revision of that Declaration by the participating States on the occasion of meetings of the Agency's Council or of the Council's subordinate bodies.

ARTICLE 4

Canada shall, in accordance with Article V (b) of the Cooperation Agreement, be represented by two designated delegates, who may be accompanied by advisors, at meetings of the participating States held within the framework of the Agency's Programme Board for Human Spaceflight, Microgravity and Exploration responsible for monitoring the European Space Exploration Programme "Aurora", and have a vote on matters relating to that Programme.

ARTICLE 5

Canada and the Agency may amend this Arrangement by mutual agreement. Amendments shall enter into force thirty days after the last notification by the Parties that the internal conditions for their entry into force have been met.
