THIRTY POINT DROP FOR BEST CATTLE

Receipts of Forty-Five Hundred More Than Buyers Could Handle.

THIRD LEFT UNSOLD

Other Descriptions of Live Stock Continued Steadily to Maintain Prices.

Receipts of live stock at the Union Stock Yards on Monday were 234 carloads of live stock, comprising 4568 cattle, 1623 hogs, 236 sheep and lambs, 295 calves and 1131 horses.

The percentage of good to choice fat cattle was now as large as was customary, and the total of all classes was greater.

Buyers were determined to get their supplies of cattle at a reduction from last week's high prices, and the large number on sale, which was the largest of the year thus far.

The bulk of the fat cattle sold at 20c to 30c per cwt. lower than last week, and with about 1500 cattle still unsold at the close of the market.

The outside demand not being as heavy as was the chief factor in the reduction of values.

Stockers and feeders, as well as milkers and springers, sold at steady to firm values.

Choice calves, sheep and lambs were sold at 25c to 30c per cwt. lower, but hog values were slightly firmer than at the close of last week.
