The contests for office were keen in every instance, and though keen, were characterized by a friendly spirit creditable in every way to the Branch. The younger Brothers managed to obtain a large share of the offices though in some cases by very small majorities.

A GREY COUNTY MIRACLE.

AN IMPORTANT STATEMENT FROM A WELL KNOWN FARMER.

He Tells the Story of Eight Years of Suffering and Valm Efforts to Regain Health—How This Great Moon was Finally Obtained.

From the Meaford Monitor.

Knowing the Dr. Williams' Medicine Co. to be an honorable and reliable firm we had never any reason to doubt the entire truthfulness of the articles appearing from time to time setting forth the particulars of remarkable cures effected by the use of their Pink Pills. There is scarcely a locality in Canada which has not furnished a case of more or less prominence, and if the particulars, as stated, were not accurate, it would be impossible that the public would not find it out and thus the remedy would be discredited. There is therefore every ground to believe that the statements are accurate in every particular. We have now been put in a position to verify one of these cases for ourselves, and we give the result faithfully, giving Pink Pills no word of praise nor merit in the case. Messrs F. Clarke & Co., druggists, of Meaford, who have sold very large quantities of these famous pills, drew our attention to the case, giving us the name of Mr. Henry Lamb, a well known and respected farmer of St. Vincent township. Having some acquaintance with Mr. Lamb we sought an interview, and the following is the substance of his testimony: "About 8 years ago I suffered from an attack of inflammation of the stomach, causing me extreme pain and uneasiness. I was attended by Dr. Clarke of Meaford, who brought me around, and I have always given him the credit of saving my life on that occasion. The effects of the attack however remained and I fell into a state of chronic poor health, which completely unfitted me for my ordinary work. I was really dragging out a miserable existence. I suffered for seven years from a constant pain in my stomach, as well as from weakness and continued debility. I tried many advertised remedies which I thought might be suited to my case, but without relief. I at length decided to try Dr. Williams' Pink Pills. I soon felt the pain in my stomach relieved, and after I had used ten boxes the pain was entirely gone and I now feel like a new man. I can now work half a day at a time without fatigue, and as I am still using the pills I confidently expect, as I have every right to do from the great results thus far, to be able to do my work as formerly. I am 57 years of age, and before the attack eight years ago, I always enjoyed good health. I have stated my experience to many people and invariably recommend a trial of Dr. Williams' Pink Pills."

The above is the substance of Mr. Lamb's story, to which the Monitor may add that we consider him a reliable and trustworthy person who would make no statement which he did not know to be correct and truthful.

Dr. Williams' Pink Pills contain all the elements necessary to give new life and richness to the blood, and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, nervous prostration, all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc.

Dr. Williams' Pink Pills are manufactured by the Dr. Williams' Medicine Co., Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing their trade mark and wrapper printed in red ink, at 50c a box, or six boxes for \$2.50, and may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, from either address.
