MOONEY GIBSON WINNING CURLER

Played Third for London Rink
That Successfully Defended
Trophy Against Galt.

London, Ont., March 14.—Fred H. Allen's Thistles were successful in their defense of the Victor Challenge Trophy this afternoon at the Thistle Rink, defeating Allen S. Taylor's Galt Granites by 19 to 9 in an 18-end match. While a 10 shot victory looks like a good margin to win, the game was much closer than the tally indicates, considering that Taylor's rink barely missed scoring a four and a six end during the game. Allen's rink curled so well that he did not need to extend himself much, the performance well when the occasion rose. Mooney Gibson, money maker of Toronto Leafs, played brilliantly. Summary:

Galt—London.

Lakeview Withstood

Glanford's Attack

Pat Hayes' Lakeview ring yesterday successfully defended the Carey Cup when they defeated Glanford, the challengers, by the score of 17 to 13. It was a keenly fought game, with Lakeview having the lead throughout and also getting the break on the second last end. Entering this game Lakeview were two up, but when Hayes went to play, Glanford were lying shot. He tried a draw but got wide and his stone clipping another Lakeview rock outside the house, knocking it over into the tee for shot. This made Lakeview three up entering the last end and the locals were never in danger of having the game tied up. This is the first time that Lakeview have been able to defend the trophy since they won it twice before. Glanford's attack was the next challengers. Scores: Lakeview (17)—Glanford (13).

Woodstock Rooters

To Back the Team

Woodstock juniors held a lively work-out at the Arena yesterday, in preparation for their game with U.T.S. tonight. U.T.S. were defeated by four goals in the first game of the junior finals at Woodstock on Monday. The game decides the championship. U.T.S. are confident that they will pull down the lead, but realize that they will have to be at their best.

A Woodstock despatch says: Indications tonight are that fully four thousand fans will proceed down to Toronto tomorrow, all ready and waiting to cheer and cheer the red and white of the O. H. A. Junior championship, and not one of that four hundred of stalwarts has the least doubt but that they will be victorious and the silverware will come to this city. The railways are not taking chances on not having accommodation on the regular trains, and they will leave here with special trains. They will leave here at 2:40 and arrive in Toronto about five o'clock. No band of college rooters have had anything on the delegation that will leave here. Yells and songs have been prepared, and a program mapped out. On arrival at Toronto Arena they will have a huge line of cheering fans. The Woodstock team is a master at the business. The city will be officially represented by Mayor Gahagan and Al. Rex Stone, and W. T. MacNeill. Woodstock is proud of its Junior team, and they will work hard tonight. Reports from Bill Green tonight regarding the Woodstock team are that they are not only winning the championship, but tomorrow night's game.

AT HAMILTON ARENA, NIAGARA IS WINNER

Hamilton, March 14.—By a score of 12 to 6, Niagara Falls beat Lakeland in the Senior Northern League final at the arena tonight. The game was not a brilliant exhibition, the first half being a chasing, and at no time did any of the players particularly distinguish themselves. The ice was fast, and the skaters, and both teams had difficulties in keeping on their feet; in fact, some did not.

The first period resulted in Niagara Falls hitting the net twice, and Lakeland as if the fixture was going to be fairly tight. The backs checked hard, and Lakeland gave indications of having something in reserve. The second period was similar, but Niagara Falls, by hard work and boring in, netched another pair, making the score 4 to 1 in their favor. Everybody loosened up in the third period, even the goalers going into the fund, and when the smoke cleared away Lakeland had scored six and Niagara Falls eight.

ALL AGAINST JOHNSON.

San Francisco, March 14.—Jack Welch of San Francisco, who refereed the championship boxing contest between Jack Johnson and Jess Willard, declared here today, after being shown Johnson's statement, that the outcome of the affair was pre-arranged, that the fight was won on its merits. Welch said, however, Johnson was in poor condition for the bout. Welch also said Johnson attempted to swindle \$10,000 on himself the night before the bout, but succeeded in placing but \$2,500.

CLEVELAND BEAT THE DENTS.

Cleveland, Ohio, March 14.—The Cleveland hockey team defeated the Dents of Toronto 1 to 0 tonight.

The prize list, representing \$36,460 for winners in the national tournament in Toledo, was presented by Judge Howard of Chicago. The congress re-elected as president, Robert Brown of Louisville, Ala. Langley of Milwaukee, remains as secretary, and P. L. Paschup of Chicago, as treasurer, having been installed for the ten-year term at the Toledo tournament in 1916.

MONTREAL TEAM PLAYS O.H.A. VICTOR MONDAY

No matter which teams win the O.H.A. championship—U.T.S. or Woodstock—the parent association of hockey will be worthily represented in the junior cup series next week at the Arena. Three games will be played in the junior competition for the trophy donated by the O.H.A., and which will be known as the H.A. Memorial Cup, out of respect to the memory of Lord Stanley.

On Monday night the O.H.A. champions will play the Montreal team of Montreal, champions of eastern Canada, which title they have held for the last two years. This is a handsome deal. The finals, which will be contested on Wednesday and Saturday nights, will bring together the winners of the Ottawa-Quebec game, and the Pats come down with good credentials, having defeated the Alberta team in the western championship. Their victory over the Winnipeg Redwings in the play-off was the surprise of the season in western hockey. With Thursday, and the juniors holding the fort on the other side, a big week's hockey is assured Toronto fans. The western team will be here tomorrow.

ANGELICAN LEAGUE FINISHES SEASON

Church Hockey Produced
Good Results Regardless
of Heavy Handicap.

Two good games at the Arena brought to a close one of the most successful seasons in the experience of the Anglican Hockey League.

The outbreak of war every officer of the league offered for service, and all but one were accepted. Despite this handicap the league has continued to do business and supply the boys of the Anglican churches with good, clean sport. Now that the old-timers are getting back into the game again, renewed interest can be looked for, as the record of the past season shows.

Altho the winter was a poor one from a hockey standpoint, competition was successfully carried on between 24 teams in two series. Added to the handicap of lack of ice the Anglican League were up against a three-cornered tie in the western section of the junior series. The semi-finals in the senior series also produced a tie, which further complicated matters. Despite these difficulties the officials managed to bring things to a head and pull off the finals on March 10. They are certainly to be congratulated. The committee were greatly aided in their efforts by the earnest cooperation of all the clubs and players, and by the clean spirit of friendly rivalry that existed. Not one protest was lodged during the entire season.
