ARRESTS AT JUNCTION SOCIALISTS TAKEN IN

Warm Council Meeting at New Toronto—Anglican Generous Response—Notes.

Why hang on to an old hat when we've such quantities of splendid new styles?

Where selection is confined to the particular shapes of some individual manufacturer, it's hard for everyone to find just what suits him.

Our policy is to have all the new models of the leading English and American makes.

Ex-Ald. Stewart and Three Others Suffer From Ptomaine Poisoning.

Ptomaine poisoning from canned tomatoes laid three members of the family of ex-Ald. Wm. T. Stewart and himself at death's door on Saturday afternoon.

Mr. Stewart, Mrs. Stewart, Mrs. Walter Stewart, and Miss Marion Kilmaster, with Walter Stewart and his two children, had lunch with ex-Ald. Stewart. The first course was tomato soup, of which the first four named, ate heartily.

Immediately after lunch Mr. Stewart left to attend the funeral of the late Ald. Wilson. He soon felt very ill and his head began to swim. Thinking it was but a passing sickness he hurried along, but a severe attack of vomiting and diarrhoea followed.

On arriving at the house on Logan-avenue he complained of a nausea and the perspiration dropped in beads from his face. Before the funeral had started he was so ill that he had to leave the place. On Saturday morning his condition became much worse and after trying to get out of the car he vomited. This relieved him for a few minutes, but later he had to get into the car again, and against the fence, where he vomited severely. Then he felt better.

In the meantime at his home, Mrs. Stewart, Mrs. Walter Stewart, Miss Kilmaster and Miss Kilmaster had similar attacks. Mrs. William Stewart was so ill that she had to go to bed. Miss Kilmaster soon recovered, and Mrs. Walter Stewart thought she was well enough to go to town. In Eaton's store the poison spoons returned, and became intensely sick. Medicines were administered, and again she felt strong enough to go home. Waiting for a Broadway car another attack caused her to faint. She was carried into Whaley Royce's and Dr. E. Herbert Adams was called. Mrs. Stewart was taken home in a carriage unconscious. After severe vomiting she began to feel better, and Dr. Adams left the house about 7 o'clock.

Last night ex-Ald. Stewart informed The World that he felt much better.

Mrs. William Stewart and her daughter-in-law were both in bed all day, but every hope is held out for their speedy recovery.

The tomatoes were purchased at a nearby grocery.

NEW TORONTO, May 19.—(Special.)—The special meeting of the Etobicoke Township Council, held on Saturday afternoon in the schoolhouse here, was in many respects one of the most important in recent years. For months Deputy-Reeve Warner has been deeply interested in the improvement of the Lake Shore-road, and has devoted a good deal of energy and time to the formulation of some comprehensive plan for carrying out the work. On several occasions he has sought to get the other members of the council to take up the matter, but has been unsuccessful, until Saturday, when, by a majority of one, he succeeded in carrying thru the project. The Lake Shore-road is said to be the worst thoroughfare in the County of York, and some five and a half miles runs thru the Township of Etobicoke. By private subscription, Deputy-Reeve Warner has succeeded in raising the sum of \$1500, and to this amount Reeve Evans was agreeable that the Township of Etobicoke should contribute the sum of \$2000, or in the proportion of \$2 for every \$1 contributed by private subscription. Beyond this point the reeve would not go, and to the arguments of Councillor Warner, that the amount be increased to \$4000, he gave unqualified opposition. He charged, Councillor Warner with entering on the work of collecting without the sanction of the other members of the council, and with making promises, to the Menzies Mfg. Co. and other New Toronto firms to extend the improvements to that point this summer. Councillor Warner denied that the reeve was ignorant of the contemplated subscription, and stated that, on the contrary, Reeve Evans had encouraged him to go ahead with the scheme.

The controversy waxed warm, and the reeve declared that he would never appeal for re-election again, and that he would not, in the face of a vote for retrenchment on the part of the ratepayers, plunge the township in debt to gratify the ambition of Councillor Warner, when there was miles of other roads in the municipality equally in need of money for repair. The hope expressed by Councillor Warner that the provincial government would give some aid was based altogether on fact. In the city he had consistently refused to do any more than was necessary. Councillor Gardhouse supported the reeve, and intimated that he would be difficult in securing terms and laborers to expend more than the amount stated—\$4000. The matter was taken to a vote, with the result that Mr. Warner's position to expend a sum equivalent to that secured by private contribution was carried on this division. Years: Warner, Dandridge and Stubbs; Nays: Reeve Evans and Gardhouse.

The result of the vote is accepted as expressing the opposition of the Township of Etobicoke to the "good roads" movement, the control of the Lake Shore-road thereby being left in the hands of the municipalities through which it runs.

The reeve stated that the act giving the Mimico Railway their present rights was ultra vires, and that at the expiration of the present term in five years it was imperative that the control should be in the hands of the rural municipalities instead of the county council. A ratepayer present charged that the county council had been wronged in this respect, but the reeve repented the accusation, on behalf of that body.

A number of residents of New Toronto registered a vigorous complaint against the manner in which the "health inspector" had performed his duties, charging favoritism. The outbreak of typhoid last fall—some 25 cases—was attributed to improper sanitation, and council was appealed to to grant an amount to assist in securing proper appliances for carrying on the work of cleaning up, but without success. Steps will be taken locally, and the council will be asked to supplement the work of the village.

North Toronto. NORTH TORONTO, May 19.—The special services held in St. Clement's Church to-day for the purpose of raising money for the enlargement of the edifice, were all well attended, especially in the evening. The Rev. W. Wolton, a returned missionary from the Equatorial, gave an interesting resume of his work among the natives of the frozen northland. It was expected that the offerings during the day would total \$3000. The results were: At the early morning service, \$346.11; at the 11 o'clock service, \$290.81; evening, \$1212.28, and at the Sabbath school in the afternoon, \$416.65, a total of \$2465.85. While the amount aimed at was not attained, the result is a tribute to the generosity of the congregation of St. Clement's Church, which would do infinite credit to a much larger parish.

Evangelists. Pettitwick occupied the pulpit at the Wellington Methodist Church this morning, and at the Davilleville Methodist Church in the evening. Besides preaching in these churches Mr. Pettitwick rendered several musical selections. The Rev. Mr. McKay of Toronto occupied the Presbyterian pulpit to-day.

At 8 o'clock to-morrow (Monday) evening, the board of works and the water, fire and light committees of the town will meet.

On Tuesday evening at 7.30 the finance committee will sit, and at 8 p.m. the town council will hold their semi-monthly deliberation.

Bartholomew W. H. Raney was in town on Saturday afternoon, and in answer to The World's query as to whether he would be a candidate in West York, he replied, "A man does not sometimes act sometimes, but that does not say that I am acting rashly." It is also stated that Easter Williams will run as an independent Conservative.

Some people with pretensions of knowing, assert that the Metropolitan Railway Co. are trying to get a private

Agincourt. AGINCOURT, May 18.—The death of Mrs. Murdoch, mother of Mrs. William Macklin, which took place on Thursday morning, has caused a great shock to a wide circle of friends. The late Mrs. Murdoch was apparently in normal health on returning on Wednesday evening, but later complained of difficulty in breathing, at the same time refusing to allow her daughter to call in a doctor. Early in the morning she was found dead, having called in, but she passed away about 7 o'clock. Deceased is survived by a family of six sons and four daughters, most of whom are in the Northwest. The remains were taken to Lucknow, for interment.

Norman Malcolm, one of our most respected citizens, has purchased a store in Milton, and moved out there during the week. Mr. Malcolm was a most worthy citizen and we wish him success in his undertaking.

Dollar. DOLLAR, May 19.—The home of Mr. and Mrs. W. Ness was the scene of a happy social gathering on Thursday afternoon and evening, the occasion being the 10th anniversary of their wedding-day. Mr. and Mrs. Ness were married in England in the year 1877, since which time they have resided in York County. The afternoon was spent in music and amusements, many old friends from the neighborhood and a distance being present. A feature of the occasion was the three-story cake made by the bride of fifty years ago, which was pronounced by all to be equal, if not a little better than any made by the most expert chef of the day. Mr. and Mrs. Ness were presented with an address and a piece of gold by the members of their family. Among those present were: Mrs. J. Tricker and W. Ness of Dollar; G. W. Ness, Denver, Col.; Mrs. A. Coombs, Toronto; Mrs. W. J. Brooks, Dollar. All the members of the family were present except G. W. Ness. The venerable couple were the recipients of many other valuable presents.

York Township Matters. The regular meeting of the York Township Council will be held this afternoon at 7 o'clock, at which hour the board of health will meet.

At 8 o'clock the council proper will meet to consider a number of changes in the school sections, as well as the creation of a new one.

Unionville. UNIONVILLE, May 19.—If there is one more which appeals more than another to the city men of this season of the year it is the presence of green grass and running brooks with all the comforts of a home. It is questionable if within a radius of 50 miles of the city, these can be more readily obtained than at the Queen's Hotel in this village. Quiet surroundings, excellent table board, cleanly, dry rooms and moderate charges all combine to render the Queen's an ideal spot to

spend a few days or weeks. Write Mr. John Hainingway of the Queen's.

Toronto Junction. TORONTO JUNCTION, May 19.—The town was last night treated to a mild sensation in the arrest of three Socialists, who attempted to harangue a crowd which quickly gathered in front of the postoffice, shortly before 8 o'clock. When ordered to move on, the speakers refused to do so, and were taken in charge by the local officers and lodged in the cells. At first they then refused to give their names, but later consented. They were W. G. Griddle, 233 Carlton-street, Toronto; E. A. Drury, 14 Bismarck-avenue, and F. Zedlitz, 157 Elizabeth-street, Toronto. After the three Socialists were marched off, F. J. Peel, another Socialist, who lives on Gothic-avenue, in Toronto, Junction, tried to crowd around him in a vacant lot, opposite the police station, and harangued them to continue their protest.

Police Magistrate Ellis was notified of the trouble and visited the men in the cells, allowing them out on their own recognizance on Tuesday morning at 10. The charge will be that of obstructing the public highway. They further state that they acted with the avowed purpose of precipitating a crisis. This is their third attempt, the last one being made a week ago. No arrests were previous to Tuesday. The result, it is said, will be to prohibit Salvation Army and other outdoor meetings of any kind.

A meeting will be held in the Baptist Church at 8 o'clock on Tuesday evening to organize a Women's Christian Association. Miss "Littie," secretary of the association, will be present and deliver an address, and assist in the work of organization.

An enthusiastic committee meeting was held on Saturday evening at the residence of W. H. Edwards, Bracondale, who presided. The meeting was held in the room which has been opened over the Palm Restaurant, and Mr. Freeman Trevelan will be in charge. Meetings will be held every evening, and the committees of the various subdivisions in the Junction, while several public meetings will also be held.

The funeral of the late John Haggas will be held on Monday morning at 10 o'clock, at the residence of Mrs. W. H. Edwards, Bracondale, and a great many friends of the family will be present. The funeral will be held at 10 o'clock, and the remains will be taken to Lucknow, for interment.
