WE have handled a great many Karn pianos during the

satisfaction. They have worn well and held their tone most

remarkably. We have had no dissatisfied Karn customers,

and that is about the most satisfactory endorsement which

any piano can receive. The up-to-date Karn piano is a thing

of beauty musically and otherwise, for Karn "cases" are

models of elegance. There is a depth of tone, a sonority, about a Karn upright which gives the player an impression

Manchus, which, they felt, would be weakened by the introduction of European
ideas, largely gave rise to the edict to kill
foreigners. The Chinese people, he said,
were powerless. They were treated as
serfs by the Manchus, who, from the
Empress Dowager down to the village
Mandaria, were appointed because of their
Manchurian birth. Much of the fintred towards foreigners, he alleged, was due to
their ignoring Chinese customs and treating with contempt their superstitions and
national instincts. To merchants and surveyors was the haired largely due, not te
