BISLEY.

Bisley, July 13.—The annual matches

of the National Rifle Association are in progress. The Canadians are com-

fortably housed in their pretty bunga-low, which in decoration and general aspect differs very little from its ap-

pearance last year. The weather is exceedingly hot, and the wind shifty. Some of the team, nevertheless, went into the open competitions, more

for the practice than with the idea of

competition, which is open to all com-ers from Wednesday until Monday,

A Pain Remedy. For over fifty years this wonderful remedy has proved itself the best, cafest and surest antidote for pain in the world.

The True Relief,

For Internal and External Usc.
In using medicines to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine and Chloral stop pain by destroying the sense of perception, the patient losing the power of feeling. This is a most destructive practice; it masks the symptoms, shuts up, and, instead of removing trouble, breaks down the stomach, liver and bowels, and if continued for a length of time, kills the nerves and produces local or general paralysis.

of time, kills the nerves and produces local or general paralysis.

There is no necessity for using these uncertain agents when a positive remedy like RAD-WAY'S RKADY RELIEF will stop the most excruciating pain quicker, without entailing the least danger in either infant or adult.

It instantly stops the most excruciating pains, allays inflammation and cures congestions, whether of the Lungs, Stomach, Bowels or other glands or mucous membranes.
