Cricket Rosedale's . Lacrosse Rossip . Bowling New Records At Hamilton

Note and Comment

Joe Kelley is again with us and the fans have every confidence that he will give Toronto a winning ball team. Joe has ordered Grimshaw to report at Chatham, but has excused Bill Phyle, who is boiling out at Hot Springs. Both men must play here if we want them, or stay out of the game. Owing to the salary limit being enforced this year all the Eastern League clubs have more or less trou-

give all who play, or may play the game, have all he can do to avoid a knockout punch. Ketchel while trains for the

Two of the near champions are boxing to-night in Philadelphia, and the bout the only six rounds should prove intersection. Every one knows the ability of Jack o'Brien, who is likely on the down grade and if Stanley Ketchel fails at a good showing he has no business with Mister Johnson.

Wedness
Wedness-

Down in Sheepshead Bay, where Jack he will then hound Jack Johnson until elected for the season: Honorary president of the big negro agrees to take him up.

The fans gathered in a swarm. Mrs. the big negro agrees to take him up. fans gathered in a swarm. Mrs. can. O'Brien's mother-O'Brien is only Hagan, O'Brien's mother—O'Brien is only a stage name—was the re cooking for him.

If didn't want to change my diet, so I took, mother along to cook," said Jack. A decent move for him. He seems to be very confident of his ability to put Ketchel in the discard.

This will be a great battle" be said.

Rounds in New York.

With the nomination yesterday of Foother Doyle of Newmarket for president there is a candidate or more for each of the offices in the Canadian Lacrosse Association, except that of secretary-treasurer and no one nowadays has the temerity to oppose W. H. Hall. Mr. Doyle will preside at the annual Good Friday convention, according to a letter from the west to take the ball to come from the west to take the ball to come from the west to take the ball to come from the west to take the annual when he crawls thru the ropes and that his science will offset Ketchel's fiercest. Thus, if our old friend, J. D. Balley remains out of the field, the Newmarket man will be able to hold the position until the next holiday.

Why is the game going ahead with leaps and bounds in British Columbia? Because they have been boosting lacrosse among the youngsters and are still on the hustle. For instance at the annual meeting of the Victoria Club it was demong members of the club as well, as among the students attending the difference public schools, the object being to give all who play, or may play the game.

Observed the connection of the position will be able to hold the position until the next holiday.

Why is the game going ahead with leaps and bounds in British Columbia? Because they have been boosting lacrosse among the youngsters and are still on the hustle. For instance at the annual meeting of the Victoria Club it was demong members of the club, as well, as among the students attending the difference public schools, the object being to give all who play, or may play the game, an opportunity to become thoroly con-

has tackled and as he is also fast and aggressive it is believed O'Brien will diate this year and their prospects are bright for a very successful season. They have all he can do to avoid a knockout punch. Ketchel while trains for the mill near Woodlawn has used up half

Ketchel finishe dtraining on Wednesday. He said to Nick Muller, his sparring partner, after their final go:
"Well, if O'Brien can beat me feeling as good as I do, he can have Johnson. They can sa yall they want to about O'Brien's cleverness, but I want to get to him only once. If I can hit him once I will stop him. I don't think he can stay away from me for ten rounds."

at his quarters the National A. C. members will see a man who can punch like a heavyweight, perhaps as hard as old Bob Fitzsimmons. They will also see a youngster who is a natural born fighter, who has always been on the square and who thinks he will be the heavyweight champion of the world one of these fine days.
