The property consists of three groups, ledo and Ohio Central Railroad, situate in Athens and Washington Counties.

The board of directors appears to be particularly well chosen. Mr. W. F. Tye, the president, has, in addition to a general business training, a fine re- instant an advertisement of the Lierna cord as an engineer. Mr. Tye was Motors & Taxicabs, Limited, appear-chief engineer of the Canadian Pacific Railway, and had charge of all construction on that system from 1889 to 1906, and in addition all other engi-neering from 1904 to 1906. Mr. Tye has consented to serve as president of the company, giving the organization and conduct of its affairs his close and continuing attention. The vice-president is Mr. A. E. Ames of A. E. MR. LANGLEY WRITES.

Editor World: In your issue of 22nd ed stating that there would be published a certificate from the auditors of the company upon the following Monday. Upon my return to the city this morning after an absence since Sunday last, my attention has been called to a signed statement appearing

in your journal of that date.

My object in writing is, that the shareholders of the company may not be misled or confuse the facts. I have been the only auditor of the above-mentioned company since its inception, your paper on Monday morning, 24th instant, did not come from me or any of my staff, nor had we directly or in-directly anything whatsoever to do with the same.
I was asked on Friday, the 21st, and

again on Saturday, the 22nd instant, to sign a statement similar to the one that appeared in your issue of the 24th, but as the same was not in accordance with a written report of the affairs of the company made by me on the 3rd December last to the company, I de-
