

Pointers for Voters!

Forget politics!

Vote patriotically!

Your vote is making history.

Are you going to vote so that in future you may think of it with pride?

Are you going to vote for party or for country and victory?

Do not cast a vote of which you will be ashamed.

Do not give a vote of which you will hesitate to tell your children.

Vote as a patriot, putting country and conscience before politics and personal gain.

You will probably never cast a vote again which will so greatly affect the welfare and destiny of Canada.

No chivalrous man, be he English or French, should vote at this election as a political partisan.

Patriotism and principle must be put before politics.

Vote for principle, not for party.

Vote to cheer the brave and patient boys in the trenches.

Vote so that you will not be ashamed to speak of it to the men returning from the front.

Vote right. Put your country before party.

Follow the voice of your conscience.

Issued by the Unionist Publicity Committee.

TIME OFF TO VOTE.

The Canadian Manufacturers' Association draws the attention of manufacturers to the fact that the law allows all employees one hour off at the expense of the employer. It suggests that each manufacturer arrange with his staff to take this time off either at the beginning of the day or around the noon hour.

VOTERS' ADVICE FROM FRANCE.

Lieut.-Col. Colin Harbottle, of the 75th Battalion, has wired from France as follows: "The 75th Battalion is voting for conscription. We depend on the support of our friends at home."

CITY TO GO INTO ABATTOIR BUSINESS

Report of Sub-Committee Adopted After Heated Debate Yesterday.

SALARY INCREASES

Harbor Board Makes First Report to Council in Two Years.

By a vote of 12 to 3 the city council at its meeting yesterday decided to adopt the report of the sub-committee on the municipal abattoir. A lengthy and heated debate preceded the taking of the vote. The recommendation of the sub-committee was as follows:

1. That the municipal abattoir and the cattle market be placed under a competent manager as a separate department, who shall have full control of both institutions and shall report direct to and be under the jurisdiction of the board of control.

2. That the scope of the aforesaid department be extended to include the wholesale dead meat business.

3. That the bureau of municipal research be requested to make a complete survey of the finances of the abattoir, with a view to ascertaining the present unit costs of the institution.

To this the board of control added a request that the report be referred back to the property committee in order that the controllers and the members of that committee might have an opportunity of discussing the matter together. This proposal was defeated, only the three controllers present voting for it. The division was: To adopt the report—Dunn, Graham, Gibbons, Archibald, Church, Ryding, Ball, Robinson, Macdonald, Fenwick, Whetter, McMullin—12. To refer back—Shaw, O'Neill, Cameron—3.

Ald. Dunn took a strong stand in favor of putting the abattoir on a business basis without delay. "I am thru with municipal politics," he said. "I have no intention of offering myself as candidate for municipal honors again, and I view this action on the part of the board of control as a deliberate attempt to thwart me in giving the citizens what is due them. It is a disgrace to Toronto that it cannot elect a board of control or a city council that has sufficient intelligence to put the abattoir on a paying basis." The veteran alderman was vigorously applauded as he sat down.

Without exception every alderman in the council chamber took part in the discussion.

Salaries Increased.

The following increases in salary were passed after a lengthy discussion: City clerk's department, John B. Sherring, from \$1535 to \$1800 per annum. City treasurer's department, W. L. McLellan, from \$1581 to \$2000 a year, and Harry Reburn, from \$2354 to \$2550 per annum. A recommendation for an increase in salary for F. B. Harmon of the city treasurer's department was withdrawn because that official resigned.

"This is a strange time of the year to bring in salary increases," argued Ald. Graham in opposing the increases. Controller Foster, who was not present at the board of control meeting when the recommendations were made, asked: "Where will the money come from?" The recommendation should have come forward earlier in the year, said the controller. Controller O'Neill supported the increases.

Ald. Ball: "In granting salary increases we are performing a service for next year's council."

At this juncture the members asked to hear Finance Commissioner Bradshaw's reasons for his recommendation. Controller Foster fought the proposal to give the commissioner a hearing tooth and nail, but he was defeated. After Mr. Bradshaw had explained that the first salary increases he had recommended this year they were carried on the following division:

For—O'Neill, Cameron, Shaw, Archibald, Singer, Whetter, McMullin, Fenwick, Neebitt—8. Against—Foster, Ball, Graham, Gibbons, Ryding, MacGregor—4.

Motion Again Defeated.

When the council rose from the committee of a whole Ald. Graham made another attempt to have the increases deferred. His motion, which was seconded by Ald. Ball, was defeated by a 12-3 vote.

James Richards, a retiring foreman in the street cleaning department, who has been in the city's service for 40 years, was granted a weekly allowance of \$9 for a period of three months.

Owing to the frequent failure of hydro-electric power, council decided to permit Works Commissioner Harris to install air chasers on the John street pumping station at a cost of \$50,000.

Grants of \$22,000 to the Women's College Hospital and \$17,000 to St. Michael's Hospital were passed without discussion.

The board of harbor commissioners presented its first report in two years. Assets totaling \$14,468,730 were shown, including waterfront and industrial property, \$8,800,171; investments, \$1,125,000; waterfront development, \$1,189,156. The report of the work carried on by dredges during the year 1916 is as follows:

Eastern section 3,549,757
Central section 33,773
Western section 2,680,111

Total 3,549,757

On motion of Ald. MacGregor \$250 was voted to the Great War Veterans' Association and the British Imperial Association, who are working together to provide a Christmas present for every soldier's wife or child in Earlscourt district.

As this was the final meeting of council for this year, Mayor Church congratulated all the members on their work and wished success to all who were thinking of running again.

GIVE CHILDREN GIFT BOOKS.

Court Sherwood Forest Holds Annual "Children's Hour."

Santa Claus was the guest of honor at the "Children's Hour" last evening in the assembly hall, Toronto Public Library. The little gift book "The Children's Hour" was presented to every child with a present, held as an annual celebration, conducted under the auspices of the Court Sherwood Forest of the I.O.O.F.

Honorable David John Kelly, Ralph George, Thomas Charles Bodley and George Banger contributed to the excellent program.

Dual Pension Policy

It guarantees that upon your reaching a certain age in life, you will receive a monthly cheque for \$50 or more, as you may now decide—and this monthly payment cannot cease as long as you or your beneficiary shall live.

Why Not Pension Yourself?

Think what it is worth to you—or your beneficiary—to be certain of an income right up to the end of life. Remember—ninety-seven out of every one hundred people are partially or wholly dependent upon others for support in their old age.

Whatever your circumstances may be as you grow older you will welcome this definite monthly income. Particularly when you stop active work; for it will then help to take the place of your salary or it will supplement other earnings.

Here is an enduring, worthwhile Christmas present. Let us send you particulars of this new Dual Pension Policy.
