## YOU WANT IT

Harris M. Foster, Esq., of Hampton, Annapolis Co., writes that in the year 1875 his wife was sick with liver complaint and general debility, and three doctors prononneed her incurable, and after suffering for five or six years I heard of your Life of Man Bitters, and went to Bridgetown to get it. I saw one of the doctors and told him she wanted to try Gates' medicine, and he said by all means, it will do no harm. I got the Bitters and Syrup, and in a comparatively short time she was well and able to attend to her

household affairs. Since that time I have kept Gates' medicine in my house nearly all the time, but have tried some other medicine highly advertised but always go back to the old Gates' Life of Man Bitters. I do not believe there is any better medicine in the market to-day, and am willing to answer any one that will write to me about it

At another time I used your Vegetable Plaster for a bad kink in the back, with the best success. Yours truly,

## Gates' Nerve Ointment. The Best Healing Medicine.

Canning Feb. 8th, 1894

Messrs Gates, Son & Co., Gentlemen: Last July I was at work caulking on a ship at Kingsport, and fell through the staging and hurt the shin bone of my leg, which turned to a running sore. I tried a good many things prescribed by the medical profession, but did not succeed in getting anything to help it until I used your NERVE OINTMENT, which affected a cure in a very short time. I have used your other medicine with good effect.

Yours truly,

JOHN HENDERSON.
