

REPORT OF THE Auxiliary Women's Foreign Missionary Society

In presenting the eleventh annual report of this society, we would express our gratitude to our Heavenly Father for the measure of success that has attended our work during the past year. Several new members have been added to the roll, and ten meetings have been held with an average attendance of 22. It is most encouraging to note the increased interest manifested by the members and their willingness to assist at the monthly meeting.

While we have only a membership of 40, 80 copies of the "Foreign Missionary Tidings" are distributed monthly, showing that there are others in the congregation, who, although unable to attend our meetings are taking an interest in the work. We hope and trust that all obstacles may be removed that now prevent them from taking a more active part in this branch of the Lord's work.

Money and clothing to the value of \$59.87 were forwarded by our Auxiliary to the Crow Stand Reserve in the North West. Our contributions for the past year amount to \$164.32, a decrease, we are sorry to report, on that of last year. No life members have been added during the year.

In April we had the pleasure of listening to an address from the Rev. D. McGillivray, of Honan, China.

Mrs. Norman Russell, of Central India, addressed our annual Thank-Offering meeting, which was largely attended, notwithstanding the bad weather.

It is with sorrow we record the death of one of our members. We would also tender our sincerest sympathy to two of our esteemed members who are laid aside through illness. We commend them to the gracious care of our Heavenly Father.
