**Next week Hydro sells the famous El Glostovo for \$3.25—not \$6.50!**

Who wants El Glostovo?  
Every home in Toronto that wishes to do away with the drudgery of hot kitchen cooking—and to save \$3.25 in cash.

What is El Glostovo?  
It's the new Electric Stove, stands just 4 inches high, cooking surface 7-1/2 inches across. All you do is attach the cord to any lamp socket and presto! In 15 seconds you have a glowing bed of electric elements to boil, fry and toast over; that beats ordinary stoves "all hollow" in the kitchen, diningroom, porch, den, anywhere you like. Costs just 1 1/2 cents per hour to use!

Why is El Glostovo only \$3.25?  
Next week, by special arrangement with the manufacturers, on a big purchase, Hydro is reducing the price of El Glostovo exactly one half. It comes complete with 8 feet of cord and attachment plug and is guaranteed for 5 years. This offer is good for next week only. Call or phone your order early.
