Hon. F. B. Carvell in Charlotte  
County

Enthusiastic Meetings Held in St.  
George and St. Stephen—but  
One Issue, Says Speaker, the  
Support of the Soldiers

St. Stephen, N. B., Dec. 10—Charlotte  
county gave Hon. F. B. Carvell a uni-  
versally enthusiastic and warm recep-  
tion today when he commenced his tour  
of the province in the interest of union  
government in St. George and this town.  
That the speeches were entirely in line  
with the sentiment of the audiences was  
shown by the applause with which they  
were met.

The first meeting was held in the af-  
ternoon at St. George and the evening  
meeting was at St. Stephen. The min-  
ister of public works was accompanied  
by Hon. J. B. M. Baxter.

In St. George a well attended and  
very enthusiastic meeting was held and  
not only the men but also the women  
voters were out in force to hear the prin-  
ciples of union government expounded.  
The chairman was H. V. Dewar. The  
hall was crowded to the doors and the  
people listened eagerly to what the  
speakers had to say. Besides Mr. Car-  
vell and Mr. Baxter the meeting was  
addressed by Everett Mills, of St. Ste-  
phen.

He said the issue was so serious that  
men who were always opposed to each  
other in political beliefs were now stand-  
ing on the same platform advocating the  
same cause. He pointed out that the  
candidates of union government had  
no personal ambitions in the political  
arena to gratify and that they had sunk  
party feelings and political distinctions  
for the good of the state.

Mr. Baxter explained what union gov-  
ernment stands in. The first thing that  
union government will bend all its en-  
ergies towards is the winning of the war.  
He reviewed the measures which have  
already been adopted by the union gov-  
ernment and showed how these measures  
which, he said, the Laurier Liberals  
themselves must admit are for the good  
of the country, could only be brought  
about by a union of both parties. Mr.  
Baxter declared that union government  
was the only way to rule the country,  
and that party government was not a  
right one in such a crisis as the present  
one. He pointed out that if Laurier were  
returned the country would be ruled by  
only one section of one party.

Hon. F. B. Carvell  
The appearance of the  
New Brunswick union minister was re-  
ceived with loud and prolonged applause  
and three hearty cheers were given for  
Mr. Carvell before he was allowed to  
speak. At the opening of his address  
Mr. Carvell said that he had been one

**To Keep Skin Healthy,  
Youthful, Wrinkleless**

Now that the social season is here,  
be especially careful to keep your skin  
in fine condition. You know how con-  
spicuous complexion defects appear  
under the bright light of the drawing or  
ball room. How very evident are  
some makeups when similarly illuminated.  
I have myself discarded cosmetics en-  
tirely, using a process which gives  
better results, and which leaves no trace  
on the skin. At night I smear on a thin  
coat of ordinary merozolized wax, washing  
it off next morning. This gradually ab-  
sorbs the devitalized particles of surface  
skin, just as granules of fine sand  
sifted through a sieve, and gradually  
clears the skin beneath, providing a  
complexion as clear, smooth and nat-  
urally tinted as a young girl's. Get an  
ounce of merozolized wax at your drug  
store, and try this remarkable treatment.  
Remember, too, that wrinkles, even the  
finest lines, are not easily removed, and  
a brilliantly lighted room. You can quickly  
disintegrate these lines, however, by bat-  
hing your face in a solution of powdered  
salicylic acid, one ounce dissolved in  
basel, one-half pint. And your face won't  
look sticky, as after using pastes—*See  
Serah in Woman's Realm.*

**Sure Way To Get  
Rid of Dandruff**

There is one sure way that never fails  
to remove dandruff completely and that  
is to dissolve it. This destroys it en-  
tirely. To do this, just get about four  
ounces of plain, ordinary liquid arvon;  
apply it at night when retiring; use  
enough to moisten the scalp and rub it  
in gently with the finger tips.

By morning, most if not all, of your  
dandruff will be gone, and three or four  
more applications will completely dis-  
solve and entirely destroy every single  
sign and trace of it, no matter how  
much dandruff you may have.

You will find, too, that all itching and  
stinging of the scalp will stop instantly,  
and your hair will be fluffy, lustrous,  
glossy, silky and soft, and look and feel  
a hundred times better.

You can get liquid arvon at any drug  
store. It is inexpensive, and four  
ounces is all you will need. This simple  
remedy has never been known to fail.

You can get mulisified coconut oil at  
any pharmacy, it's very cheap, and a few  
ounces will supply every member of the  
family for months.

**Hairs Will Vanish  
After This Treatment**

(Toilet Helps)

You can keep your skin free from hair  
or fuzz by the occasional use of plain  
delatone and in using it you need have  
no fear of scarring or injuring the skin.  
A thick paste is made by mixing some  
of the powdered delatone with water.  
Then spread on the hairs and after 2 or  
3 minutes rub off, wash the skin and all  
traces of hair have vanished. Be care-  
ful, however, to get real delatone.

of the most severe critics of the late gov-  
ernment. He said that he had directed  
all his energies in the attempt to sup-  
press profiteering, but now the issue that  
is before the electors of Canada causes  
the petty motives of profiteering to fade  
into insignificance.

The party came to St. Stephen in a  
special train and arrived here at 8  
o'clock. They were met at the train by  
Messrs. I. B. Todd and J. M. Flewelling.  
The returned soldiers of St. Stephen  
were drawn up on the platform under  
command of Lieutenant Inches. A large  
crowd was at the station and the appear-  
ance of the minister of public works was  
greeted with cheers.

The evening meeting was held in the  
curling rink of St. Stephen. The party  
drove to the rink escorted by the return-

ed men and preceded by a band. The  
rink was crowded. There were at least  
2,000 people present. The women voters  
were present in large numbers and they  
manifested an interest and enthusiasm  
for the principles they heard explained  
and the frequent and hearty applause  
which was given both by the men and  
the women attested to how much the  
speeches were in harmony with their  
own convictions.

The chairman was Mayor Parker  
Grimmer and on the platform besides  
Mr. Carvell and Mr. Baxter there were  
Messrs. A. D. Ganong, president of the  
Charlotte County Union Association; I.  
R. Todd, chairman of the association,  
and J. M. Flewelling, secretary of the  
same organization.

As the party entered the crowded hall,  
the people burst forth in a tremendous  
round of applause. A large choir of  
picked voices opened the meeting by  
singing O Canada. The first speaker  
of the evening was Hon. J. B. M. Baxter,  
and he was introduced by the chairman,  
Mayor Grimmer.

In his address Mr. Baxter said that  
the election was based on one of the  
most serious issues that has ever faced  
Canada.

**One Issue Before Election.**

Mr. Carvell asserted that the issue be-  
fore the country today was whether  
Canada will support the boys in the  
trenches by securing reinforcements or  
not. Mr. Carvell told the people that  
should Laurier by any chance be elect-  
ed, and the referendum were carried it  
would take a year and a half to send  
the first batch of men across to France.  
Meanwhile the boys who are over there  
would be dying for the country that de-  
served them. Mr. Carvell said that it  
was not an easy thing for him to break  
away from his party and his leader but  
he and twenty-five other prominent Lib-  
erals, could not support Laurier in the  
policy that he has chosen to pursue, and  
so they severed their party ties for the  
good of the country.

On the subject of conscription Mr.  
Carvell compared the present act with  
the old act on the statutes. He said that  
the war cannot be won without  
men, the men in England will reinforce  
those at the front for only about three  
months, so that men are urgently need-  
ed. They wouldn't go under the volun-  
tary system and so they must go at  
the order of the state. He said that  
liberty can only be had in its truest  
sense when the state has the power to  
call upon its citizens to defend it.

When Mr. Carvell had finished the  
chairman called upon Private Everett

Mills, a returned soldier, to say a few  
words. Private Mills said that some  
stories have somehow gained credence,  
that the men at the front do not want  
conscription. Private Mills declared, and  
he said that every soldier would back  
him up, that ninety per cent. of the men  
at the front are strongly in favor of  
conscription and he said:

"The result of the 17th will show the  
people of Canada what the boys in the  
trenches want."

Many of Canada's most heroic fighting  
men were recruited from the ranks of  
labor. These called to their brothers at  
home to support them with their hallo  
at the back of the front—which is home

**Save Canada from  
Russia's Disgrace!**

INDIVIDUALLY, the people of Russia are loyal to their country,  
but woefully misguided. The army, weakened by lack of support,  
simply 'quit' fighting; and in its contempt for Russia's present attitude,  
the world is rapidly forgetting the marvellous achievements of Russia  
earlier in the war.

**Be True to Our Boys  
They Ask Your Help**

In a diary taken from a captured German officer was found: "There  
are no deserters among the Canadians." There are none among  
Canadians at the front.

Desert the boys who have fought and died for us? Never! They  
ask for reinforcements and they shall have them—in the only possible  
way—by the return of Union Government. Laurier offers a referen-  
dum—in the course of time—then a further appeal for volunteers. Rot!  
All the volunteers who could go have enlisted.

**Support Union  
Government**

Union Government is pledged to the immediate raising of reinforcements under the Military  
Service Act, 1917. Only under the leadership of Union Government will Canada remain  
a useful, honorable factor in the defence of civilization and liberty. You are coming to the  
cross-roads. Will you take the road to dishonor and disillusionment, or will you support  
the men in khaki on the road to Victory? Your vote demands a decision!

**The Franchise is Extended to Women**

Every woman may vote who is a British  
subject, 21 years of age, resident in Canada  
one year, and in the constituency 30 days,  
who is the mother, wife, widow, daughter,  
sister or half-sister of any person, male or  
female, living or dead, who is serving or has  
served without Canada in any of the Military

forces, or within or without Canada in any of  
the Naval forces of Canada or of Great  
Britain in the present war, or who has been  
honorably discharged from such services, and  
the date of whose enlistment was prior to  
September 20th, 1917.
