RING
Willard is Willing
Jess Willard said he will willingly meet Jack Johnson in Havana. His manager is reported making arrangements.
News of the Boxers
Eddie Murphy, a South Boston lightweight, and his manager, Joe McCarthy, evidently could not see where they were going to get overburdened with money staying in New Orleans, so they quit the city and are now in Chicago. Tom McCarty, a Los Angeles promoter, who has been looking the ground over in New Orleans and was announced as going to promote bouts in that city, says that he does not regret not having mingled in the game in that city, for it has not been profitable.
Tex Rickard, who has been holding forth in Argentina since the Johnson and Jeffries scrap, wants to do some more promoting in the latter line, and offers Johnson and Willard inducements to hold their scrap in Buenos Ayres.
Tom Jones, manager of Jess Willard, who believed that Jack Cushey could work his persuasive tongue so well that Johnson would go to Juarez, has thrown up the sponge and is now of the opinion that Willard will have to go to Havana or somewhere else in order to get a chance to meet Johnson.
Lent. Gov. O'Hara of Illinois says that the boxing bill presented in that state will be passed and he is working to have it become a law.
AUTO RACING
Won Vanderbilt Cup
San Francisco, March 7.—D. Rest, winner of the Grand Prix on Feb. 27, on Saturday captured the 900.80 mile Vanderbilt cup race over the course of the Panama-Pacific Exposition. His time was four hours, twenty-seven minutes and thirty-seven seconds. Howard Wilcox was second in four hours, thirty-four minutes and thirty-six seconds. Eddie Egan was third in four hours, thirty-four minutes and thirty-six seconds. It was a gruelling race.
BASKETBALL
Cadet League
In the St. Andrew's Cadet League on last Friday evening the Royals defeated the Ramblers, 19 to 2, and the Victorians won from the Thistles, 19 to 2.

Collins Makes Home Run
Los Angeles, March 5.—The Chicago Americans took the opening game of their exhibition series here from the Los Angeles Coast League team. Eddie Collins, playing second for the White Sox, made a home run out of a good three-bagger.
McLean Likes Perritt
New York critics who are at Marlin training camp with the new York Giants are enthusiastic over the acquisition of Pitcher "Polly" Perritt. Larry McLean, who handled Perritt's delivery when they were both with St. Louis, is quoted as follows:
"Pitcher Perritt's only one thing that boy does better and that is eat. Yes, I've got a good line on his twirling and he has got everything there in the book. I remember when he used to fling a splitter, but later he developed a good curve and a slow ball. You know he always had speed so now he's a class mixer, and he can stir things up."
Gilmour is Warned
President James E. Gaffney of the Braves, sent the following telegram to James H. Gilmour, president of the Federals, on Friday, warning the rebel chief to keep his hands off Bill James, who has been carrying on negotiations with the outlaw league:
"James A. Gilmour, President, Federal League, Chicago.
"I notice newspaper dispatches report negotiations between Pitcher James and Federal League. This is to notify you that Pitcher James is under out-and-out contract to the Boston club for seasons of 1915 and 1916. If desired, your representative can see contract at my office. Accordingly warn you not to enter into any agreement with Pitcher James."
(Signed) James E. Gaffney,
"President, Boston National League Baseball Club."
No Braves for Fitzpatrick
Toronto, March 5.—Eddie Fitzpatrick, the Toronto second baseman, is here. When Fitz was sold to the Boston Nationals, the Toronto club figured that in thus disposing of him it was doing its best to advance a man who had given long and faithful service to the club.
Fitzpatrick thinks otherwise. His salary with Boston is \$50 a month less than he would get with Toronto, and although the season would be longer, Fitz refuses either to leave here or go to Boston. He said he would either play with Toronto or retire to his farm. It is now believed he will again be at second for Toronto.
Yankees Want Baker
Savannah, Ga., March 5.—Reports that Franklyn Baker, a baseball player for the Yankees were further substantiated when it became known that the real visit of Capt. Huston to Jacksonville was for the purpose of dicker with Connie Mack for the home run king. The Athletics are doing their training in Jacksonville. The reports are that Huston left prepared to offer \$25,000 with Fritz Masiel for Baker.
Tinker to Second
Chicago, March 7.—Joseph Tinker, manager of the Chicago Federals, after playing at shortstop from the start of his long career in the major leagues, has decided to switch to second base. Tinker asserted that his place in the field would be taken by James Smith, a

The injury to Sherwood Magee is not so serious as was at first believed. While working out, Magee fell, and it was feared his collarbone had been broken. Examination showed that he escaped with an injured shoulder. Edward Maier, owner of the Venice Coast League club, says that the St. Louis American League team has sold Pitcher Roy Mitchell to Venice on trial.
The Feds are said to have offered Joe Jackson, a star outfielder of the Cleveland American League team, \$25,000 a year for three years if he will jump organized ball.

Raymond Gets Fast One
Frederick Gleaser—Tommy Cotter (2165), a pacer which was in "Long Shot" Cox's stable last spring, has been sent to Tommy Raymond, a successful Frederick trainer, and will get his preparation for the 1915 campaign here. Since the latter part of last season Tommy Cotter has been in Trainer I. D. Chappell's stable, which was located this winter at St. Leonards, N.B., but his owner, Peter McDonald, of Sydney, recently concluded negotiations with Driver Raymond to have him handle the son of Brazilian this year. Tommy Cotter's win-race record is 2194, making him eligible for the 2.30 pace events, and he will doubtless prove a consistent race horse. He got his mark of 2:16 1/2 in the first heat of a race at the Brockton Fair last fall, which he won second money. He was raced in Maine as well as throughout Massachusetts and other New England States last fall by Driver Chappell.

COULD NOT SWEEP THE FLOOR.
For backache, lame or weak back, one of the commonest and most distressing symptoms of kidney inaction, there is no remedy to equal Doan's Kidney Pills for taking out the stiches, twitches and twinges, limbering up the stiff back and giving perfect relief and comfort to all poor, suffering women who suffer so much from a weak lame back.
Mrs. Blackburn, R.R. No. 1, Fishburn, Alta., writes: "I take pleasure in writing you stating the benefit I have received by using Doan's Kidney Pills. About three years ago I was terribly afflicted with lame back, and was so bad I could not even sweep my floor. I was advised to try your kidney pills. Before I had used one box there was a great improvement as my back was much better. However, I kept on taking them until my back was completely cured. I highly recommend these pills for lame back."
Doan's Kidney Pills are 50c per box, or 3 boxes for \$1.25. All dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
When ordering direct specify "Doan's."

Never again will we trust a fighter, Charlie White assured us, with his hand over his heart, that he would lick Freddie Welsh. We trusted him so much we planned to bet a hat, but forgot to.
Georges Carpenter is now a war prisoner. Having been killed and wounded, being captured was the only thing left for him to do.

Chicago correspondents are marveling that Eddie Collins should work so hard in spring training when he has the job clinched. That why he is Eddie Collins, and the other is why the White Sox are the White Sox.
Evidently Mexico is a place where everyone fights except the fighters.
