### CHAMPIONSHIP GAMES ARRANGED

Nine Contests Between the Saints and Fredericton; the Players.

All details in connection with the play-off between the Fredericton team, winners of the first series, and St. John's, winners of the second series for the championship of the Two-1 League, were arranged at a meeting of the managers held last night. The season was a lengthy one and before all the business had been transacted the early hours of this morning had arrived. Joe Ford, Fredericton, manager, came here for the meeting.

It was decided to play a nine game series, three in Fredericton and six in St. John's. The series will start on next Thursday when two games will be played in Fredericton, one in the afternoon and one in the evening. On Saturday, Sept. 2, two games will be played in this city, one in the afternoon and the second starting in the evening. On Labor Day there will be two games here, one in the morning and the second in the afternoon. On September 6 one game will be played in Fredericton and on September 8, two games here.

In order to be assured of nine innings for the evening games it was decided that evening games in Fredericton must not start later than 5:45 o'clock, and in St. John not later than 6:30. The four official umpires will be: Howard, Benson, Atchison and Donovan. In event of wet weather prevailing on any of the days when games are scheduled it was decided to play the games on the next day. Gate receipts will be divided sixty per cent. to the winners and forty per cent. to the losers of each game.

The Players.

The following is a list of eligible players for the championship: St. Peter's—Dever, McGovern, Mooney, McArthur, Markham, Sterling, Doherty, Gibbons, Bonnell, O'Connor, Price, King, Hansen, Strecker, Stafford, Shiel, Houlahan and Kere. Fredericton—O'Brien, Killen, Clancy, Dillon, McBeth, Dean, Mulvey, Slesinger, Faynter, Noyes, McCourt, Whitehouse, Andrews, Lynch, Ware, Kenyon, Davis and Kierstead.

Kelly, mentioned in St. Peter's lineup, is a catcher from Boston who will be brought here in event of any accident happening to Dever. Kelly is a pitcher as it was figured the Saints were strong enough in the box and a second catcher was needed. Houlahan is a Millbrook pitcher and Shields is from St. Stephen.

Fredericton has asked for a block of 200 seats in the grand stand for Labor Day as it is intended to run an excursion to this city for the games.

### GOOD SESSIONS OF MUNICIPALITIES

Comment of Commissioner Thornton, Home Today from Campbellton.

Commissioner John Thornton, who returned yesterday after attending the convention of the New Brunswick Municipalities, said the meeting of this year was one of the best he had ever attended. The papers read were of a very high order and the discussions brought out some excellent suggestions for better Municipal Government. It was well worth the time of any person interested in Municipal affairs, he said, to attend one of the conventions as there was always something to be learned.

The people of Campbellton had been very hospitable and the time had passed all too quickly. The only criticism the commissioner had to offer was that there was so much material that it was hard for a person to grasp it all and there was not sufficient time to thoroughly discuss the various papers.

Commissioner Thornton and Commissioner Wigmore made the trip by automobile, going by way of Moncton and back by way of Fredericton. He found the roads in very good condition and especially commended the practice followed in the upper counties of straightening out curves in the highways.

### NOVELTY SHOWERS

Friends of Miss Elizabeth Gorman gathered at the home of Miss Gertrude O'Neill, 109 Elliott Row, last night, when Miss O'Neill and Miss Gertrude Costley were hostesses and a novelty shower was tendered Miss Gorman in honor of her approaching marriage.

Beautiful gifts were presented to Miss Gorman and the presentation was made in a novel and pleasing manner. What appeared to be a large wedding cake prettily ornamented was found to contain the many gifts. It was surrounded by a ring of bride and groom and was made in many tiers. As each layer was removed some more of the daintily wrapped gifts came to view. The rooms were attractive with wild flowers in profusion. The color scheme was in golden yellow with red and blue. Susans and golden rod and cut ferns artistically arranged. The evening was pleasantly spent with cards and dancing. Refreshments were served and the hostesses were assisted in serving by Miss Catherine Lawlor, Mrs. Joseph E. Dwyer and Mr. and Mrs. J. F. O'Neill. Among the guests were: Miss Elizabeth Gorman, Miss Eileen O'Regan, Miss Marjorie Grannan, Miss Frances Grannan, Miss Margaret Power, Miss Vida Waterbury, Miss Helen McGuire, Miss Edna Sullivan, Miss Evelyn Gallagher, of Woodstock, Miss Catherine Gorman, Mrs. A. P. O'Neill and Messrs. Richmond Grannan, T. Sweeney, Anglin Gorman, Jack Hogan, Fred McGuire, Dr. A. Coughlan, William Ryan and E. Cronin.

Miss Eva Simpson, of Milford, who has been a popular member of the telephone company staff for several years and whose wedding is to take place early next month, was tendered a delightful surprise in the form of a novelty shower on Thursday evening. About a score of her friends from the telephone office assembled at the home of Mrs. Charles Coleman, 82 Bridge street, and presented to her all sorts of useful and pleasing gifts, with their best wishes for her future happiness. After the guest of honor had inspected the presents and expressed her thanks, an enjoyable social evening was spent.

The young ladies of the Portland Methodist Church gathered at the home of Mrs. Lizette Leck, 557 Main street last evening and tendered her a novelty shower in honor of her approaching marriage. She was the recipient of beautiful gifts in cut glass, silverware, china, pyrex and linen. Games and music were enjoyed and dainty refreshments served by the young ladies. All wished Miss Leck a very happy future.

### PLAN REVIVAL OF ELKS IN CITY

Head Officials Set the Re-organization Machinery in Motion.

There is a strong effort being made to revive the Order of the Elks in St. John and it is expected that before long there will be a thriving lodge in this city. Recently Frank Murphy, a former St. John boy, who is the head of the order in Canada, was here and discussed the matter with some of the former members. He received some encouragement and within the last week D. R. Beresford, grand organizer, arrived in the city and is making a canvas of the former members and prospective new members.

It was said this morning that the outlook was bright for re-organization here and of the local lodge taking its former place as one of the leading fraternal organizations in the city. For many years the Elks home in Wellington Row, now the home of the C. W. Y. A., was the habitat of an important and energetic association.

### As Hiram Sees It

"Hiram," said The Times reporter to Mr. Hiram Hornbeam, "I desire to look upon the pumpkin when it showeth its color in the field."

"No, sir," said Hiram, "what you're thinking about is when it showeth its color in the pie."

"Since you mention it," said the reporter, "I confess that my love of Nature would even go so far."

"Well, sir," said Hiram, "any time you want to come out to the Settlement after Exhibition's over, and the gals on the grounds has all gone home, an' Hammer feels she haint got no call to keep an eye on me for a spell—I know she'll hev a few pumpkins an' squash all ready."

"I know it," said the reporter. "And all the other things fresh from the garden. And the sun throwing the shadows of trees across the meadows, an' the shining on the ripening oats, and on the red hawthorn berries and the golden rod and the winding stream. Hiram, convey the assurance of my regard to Mrs. Hornbeam and say to her that my preference for deep pumpkin pie has never wavered. Tell her I could swim the English Channel if one of her dinners were on the farther side."

"Tell her yourself," said Hiram, "she'd think I was hatching' up an excuse for askin' for more pie myself—He!"
