BOWLING.

Beavers Set Alley Records.
In a match game played on the Victoria bowling alleys on Saturday between the Beavers and the N. B. Telephone Co. team the Beavers won by 201 points total pinfall count. The Beavers' score, 1483, was the highest made at the alleys during the season and the third string total 503 was also the single string record for the alleys this year.

The scores were as follows:

BASEBALL.

Imperials Beat Minks.

A fast and interesting game of ball was played last evening on the Crown street diamond and resulted in a win for the Imperials who played the Minks. The game ended with the score, 6 to 1. The battery for the winners was S. Arthur and R. Johnston while that for the losers was composed of W. Comeau, W. McVane, L. Floyd and B. Anderson.

Pick Manager for Team.

The sporting committee of the G. W. V. A. met last evening in the hall of the association, Wellington Row, with T. Travers in the chair and O. J. Lawson secretary. There were several members of the committee present and matters relative to the coming baseball season were discussed. A motion was unanimously carried that T. Morrisey be appointed manager of the ball team and the members of the team pledged him their hearty support. The G. W. V. A. is expected to have a fast team this year and the association has entered the race for the City League trophy. It is the intention of the committee to boom all lines of sport during the season and last evening's meeting was very enthusiastic. T. Morrisey and

W. A. Kirkpatrick were appointed to represent the association at the City League meeting to be held tonight in the Y. M. C. I. All members are requested to attend the next regular meeting of the G. W. V. A. so as to aid the committee in selecting athletes for the season. The committee will meet again this week.

Yesterday's Games.

In the American League, Harper of Boston held the Phillies to two hits in his first start of the season, Boston winning 7 to 1.

Cleveland and St. Louis played a postponed game and Bagby of the former team was hard hit but not when hits meant runs and he aided in winning for his team when he turned in a home run for his side.

In the National League, Cooper of Pittsburgh held Philadelphia to four hits out of which only one run was scored. Causey for Philadelphia was hard hit in the first two innings and made some wild plays besides.

Summary:
American League.
Philadelphia 1, Boston 7.
St. Louis 3, Cleveland 7.

National League.
Philadelphia 1, Pittsburgh 3.
International League.
Syracuse 4, Toronto 8.
Baltimore 9, Akron 4.
Others postponed, rain.

Goes to Hartford.

Hartford, Conn., May 11.—Herman Bronkie, formerly with the St. Louis Americans, has signed a contract to play with the Hartford club of the Eastern League. He probably will perform at second base.

Ball Players Fined.

New York, May 10.—Fines were levied on three National League ball players here today by President John Heydler. William Killefer of Chicago and Charles Stengel of Philadelphia each were fined \$30 and Tony Boeckel of Boston \$25.

Killefer was charged with delaying a game, Stengel with arguing with the umpires and Boeckel with disorderly actions on the field.

McGraw Gets Callings.

Boston Globe.—John McGraw of the Giants will be joined by a mighty fifty ball player when Albert Lefevre of Fordham is graduated from college in June. Lefevre is the life-long playmate of Frank Frisch, who was going so well for the Giants up to the time he had to submit to an operation for appendicitis. The Fordham collegian is wanted by McGraw right now, but he will finish his college course.

Lefevre is a third baseman and up to the time Frisch began to show so much for New York, was regarded as an even better fielder. He has a great arm and is a hard, solid hitter. It is possible that later on he may be used at third for New York and Frisch sent to second base, where he always has played before. Frisch, however, looks so good on third that it will take a lot of nerve on the part of McGraw to shift him to any other place in the infield.

Williams Wins Six Straight.

Boston Globe.—Pitcher Williams of the White Sox has matched Coveleskie's mark of six straight wins. He also, now has beaten each of the western teams, taking one game from each on his own grounds and another on the road. Williams, pitching fifty-six innings, has been hit safely only thirty-one times in the six games. To his credit is a two-hit game against Cleveland, a three-hit game against the Tigers and a five-hit game against St. Louis. The Browns made twelve hits in one game and Cleveland seven in one game. The Chicago pitcher has passed sixteen batters and fanned twenty-two.

Williams' scores against the Tigers were three to two in eleven innings; and two to one in ten innings. St. Louis

GOLF. Links Not Ready.

New York, May 11.—Because of damage caused by the German armies, it will be impossible to have the Antwerp links ready for the Olympic tournament ready before July 12, according to word received here today from Belgium.

AQUATIC.

The Shamrock IV.
New York, May 11.—Preparations for fitting the masts and spars on the Shamrock IV, were begun today at City Island. The parts arrived yesterday on the S. S. Philadelphia from Southampton. Details of the construction of the mast and the amount of canvas the challenger will fly were kept secret. Designer Chas. Nicholson is now on his way here from England to assume charge of the final work of fitting the yacht.

RING.

Johnson Not To U. S.
Chicago, May 8.—George Little, former manager of Jack Johnson, is showing a letter from Johnson dated at Ti-

juana, in which the former colored heavyweight champion says he has changed his mind regarding his intention of crossing the Mexican border and giving himself up to the federal authorities here.

That he had fully intended to pursue this course is positive, but when he landed at Tijuana he saw an opportunity to go into the cafe business, and decided that the climate of that place was very beneficial to him. In consequence, he has changed his mind, and Uncle Sam will have to postpone the anticipated pleasure of acting as host to Jack Johnson in one of his principal hotels at Atlanta or Leavenworth.

Herman's Victory.

Philadelphia, May 10.—Pete Herman, bantamweight champion, defeated Jabez White of Albany by a shade in eight rounds here tonight. Herman fought cautiously in the early rounds, but opened up in the eighth and showed his superiority.

Will Lose \$50,000.

Boston Globe.—Paddy Mullins, manager of Mike O'Dowd, left Boston Sunday night a sore fellow. So far, none of the matches he had arranged for O'Dowd have been cancelled, but Mullins figures that he and O'Dowd will lose at least \$50,000 by reason of the latter's losing the title to Johnny Wilson. The ex-champion would like to get another crack at Wilson. There are many who saw O'Dowd fight the other night who figure that he is slipping fast and that a good rest would do him a world of good.

Wilson is overwhelmed with offers from all over the country, one promoter offering as high as \$8,000, but the new champion is going to take a rest. Wilson takes his new honors modestly. The Bunker Hill Council, K. of C., of which he is a member, is going to tender him a banquet shortly. There is considerable comment made on the way that Wilson fought O'Dowd, but it is the only way for a fighter to do if he wants to last in the game. Taking hard knocks for the sake of getting one in soon softens a boxer and the most successful ones make use of their feet to avoid those thumps. Boxers like Britton, Dundee and Leonard have good footwork, and that is the reason they are lasting so long in the game.

Wells Knocked Out.

London, May 10.—Joe Beckett, the English heavyweight boxer, knocked out Bombardier Wells, another British pugilist, in the third round of a match for the heavyweight championship of England tonight.

MONCTON GETTING READY FOR SEASON

(Moncton Transcript.)
Baseball is in the air, particularly in the evenings, as in every available field the boys are practicing for the opening of the league. The various workouts up to the present seemingly centre with the Etanion club who have been twirling the spit among themselves for a month or more. When the season opens the

games should be worth going to. No one can expect the first games to be mid-season ball as the boys have not had practice enough to get into trim (and without practice, no matter how good that player is, he cannot play his usual form.) For this reason it should be that all clubs entering the league should do their best to round into shape as soon as possible; and practice every evening would aid. The opening game of the league should draw a large crowd. This game should prove interesting, if both teams have practiced to any extent previous to the call of the game officially. A three-team league appears to be the dish of ball for Moncton this summer. The C. C.'s may yet enter but it is improbable as who would wish to enter a league with her players wearing the uniform of other ball teams?
