GLAD TO DISCUSS
IRISH MATTERS

Sinn Fein Attitude on British
Reply.

Dublin, Sept. 8.—Signs of confidence and good spirits were again apparent among the Sinn Fein leaders at the Mansion House here today. They have received knowledge of the contents of Premier Lloyd George's reply to Eamonn De Valera, which will be made public here this evening at the same time that the note is given out by the British. So far as could be gathered, the Irish leaders were not disturbed or surprised by the premier's communication.

Inverness, Only Condition
That Ireland Remain in
Empire—London Press
Comment.

London, Sept. 8.—Reports that the message sent to the republican leaders by the cabinet at Inverness yesterday was an invitation to a conference to be held on Sept. 20, on condition that Ireland should remain within the empire, were printed by several newspapers here today. Those newspapers which comment editorially upon these reports express satisfaction that the door to peace has been left open.
