'Any amusement in this town to-night?' asked the stranger. "I reckon there's going to be a lecture," replied the grocery man. "I've been sellin" eggs all day."—Atlanta Constitution.

Customer-Waiter, do you remember me? came in here yesterday and ordered a steak.

Wainter-Yes, sir; will you have the same to-day. sir? Customer-Yes; if no one else is using it.

"The horn of plenty?" repeated the col-onel, pressing his hand to his brow. "That would be difficult to define for any and all circumstances, but I should say that five fingers was a good average figure." With which he did not care if he did.— Detroit Tribune.
