NOTICE.

DUBLIC Notice is hereby given that a Patent has been obtained by the Patentees from the Commissioner of Patents for the Dominion of Canada. For the invention called the "Chatham Soldwing Furnace" and the same can only be purchased from them, and all persons are hereby cantioned against hirringing or easil Patent and from using or manufacturing said Furnace without subhorities from us.

Miramichi Advance.

The Exhibition.

The Centennial Exhibition, which is to open at St. John on Tuesday 2nd October, will, probably, be the largest and best ever held in the Maritime Provinces. It is a Domiand tone to the aspirations of our people in the race of industrial, artistic, social and moral progress. It will also convey to outsiders a just and be a means of especially assisting any country rests. All who can do so should devote the first week of October to St. John and the especial

Outside Designs on Kent County. The Sun, in an article on the resignation of Mr. Girouard, M. P. for Kent and the practical abandonment of Westwith a view of being elected to the House of Commons in Mr. Girouard's the best and surest foundation" in both Counties-and, indeed, all over the Province-for the ultra wing of the

attractions it will offer during that

period

ndicates that he is the choice for Kent of the Sun and its managers in St. John, and it assumes that those industrious promoters of their party's plans will have no trouble in wheeling Kent into line for the support of their candidate.

In fact, it prophesies "an overwhelming majority" for Mr. Landry and thus instructs all other aspirants for the position which the "diligent and careful" Mr. Girouard has vacated to stand back. Mr. Landry is, undoubtedly, very well qualified to discharge the nominates him. but, at the same time. he has no particular claim on Kent. What special interest has he ever manifested in the affairs of that County, un-connected with the promotion of his own personal and political welfare? What has he done to assist her people in the development of her material esources-to feed them and their families and make them contented with their lot. Has he, in the past, used the public positions to which he attained as

much by playing upon the prejudices of race as by his own merits, to promote

The Valley Railway. The Bloomfield, Miramichi, correspon-

dent of the York Gleaner says,-

try which many of them have almost lost. It is true that a survey is to be made in the vicinity of Bartholomew river and it is possible that construction may be commenced there soon, but with the influences of the gentlemen referred to in operation against the Company it would hardly be prudent to bepany it would hardly be prudent to begin actual work at both Chatham Junc-

tion and Bartholomew River. Of course, much could be saved to the conception of what the country can do, The arguments in favor of avoiding the Attorney-General, for instance, and us in extending our business relation- that there can be no reasonable doubt of its pet Government says,ships, which, after all, is the chief that they will cause both branches of foundation on which the progress of the Legislature to readily assent to the necessary change in the Subsidies Act, and it would be far more patriotic for the Newcastle parties to accept the inevitable gracefully and remove the only barrier now in the way of a work, the securing of which has been far too long ecuring of which has been far too long
