A NEGLECTED HERO. SAYS GORKY IS MORE MARRIED THAN MANY

What Canada Owe to the Bravery of Wolfe.

Address by Mr. F. C. Wade, K. C., Before the Canadian Club at Winnipeg—Steps to be Taken to Erect a Monument.

WINNIPEG, July 21.—F. C. Wade, K. C., of Vancouver addressed the Canadian Club on the duty of Canada to Wolfe's grave, and pleaded for a national acknowledgment of the achievements of the hero of Quebec. Concluding his address Mr. Wade said: "In contemplating the grave of Wolfe at the old parsonage church at St. Alphege in Greenwich one cannot but recall the marvelous bravery and brilliant generalship that planned the attack at the Anse du Foulon, which led to the capture of Quebec and the cession of this continent to the Anglo-Saxon race. The first impulse is to look around for some great monument, some vast mausoleum, or, in default of that, some memorial window, brass or mural tablet, some indication of the love and sympathy, or at the least some sign of gratitude on the part of the Canadian people. But there is nothing. The dark, mysterious crypt is there, as is the iron grating which is pointed to as indicating the exact position of the tomb. These are cold and forbidding enough, but that is all. Canada has done nothing. New England and its lineal successors, the United States, have done nothing. Had it not been for the efforts of private and unknown persons, by whom a beautiful memorial window was placed in the church in 1886, nearly a century and a half after the fall of Quebec, there would be nothing at St. Alphege to indicate that to Wolfe the Anglo-Saxon race on this continent owes its existence. Do not the people of Canada owe it to themselves, as well as to the memory of the great Wolfe, to take some action which will fittingly express their appreciation of the heroism of the illustrious peer to whom this continent owes so much? The Canadian Club, after hearing the address, appointed a committee to set wheels in motion towards erecting a suitable monument, and also passed a resolution endorsing the sentiments expressed by Mr. Wade.

CREW OF NORWEGIAN BARK RESCUED

The Undal was Bound From St. John to Newport

NEW YORK, July 22.—When the American liner New York docked here today she brought details of the thrilling rescue of the crew of the Norwegian bark Undal, from St. John, N. B., for Newport with a cargo of deals, on July 18th. Eleven men were taken from the ship by a boat's crew of the New York. Captain Carlsson, of the Undal reported that he sailed from St. John on July 15th. Shortly after leaving port the Undal began to leak and in spite of ceaseless pumping by the crew, the vessel after some days became waterlogged. Finally the New York bore down and seeing the distress signals sent her boat alongside, which took off all hands.

JUDGES APPOINTED AT CABINET MEETING

OTTAWA, July 22.—The new court of appeals and the reorganized court of king's bench of Manitoba have been brought into force and the new judges were appointed at Saturday's cabinet meeting. The court of appeals is as follows: Chief Justice, H. M. Howell, K. C., puisne judges, A. E. Richards, Wm. E. Parnes and P. H. Phippen. The order mentioned. D. A. MacDonald, Portage La Prairie, was appointed to the king's bench, and the king's bench will comprise Chief Justice Dubuc with Justice Mathers and Justice MacDonald. Formerly the king's bench comprised a chief justice and three puisne judges, and now it will consist of the chief justice and two judges.

Messrs. Richards and Parnes have been moved up to the court of appeal and one new judge, Mr. MacDonald, takes their place on the king's bench. So long as Chief Justice Dubuc remains chief justice of the king's bench he will be chief justice of Manitoba, but as soon as he ceases to be chief justice of the king's bench, then the chief justice of the court of appeal becomes chief justice of Manitoba. The tender of H. Johnson of Montreal for the furs brought by the mounted police from Fullerton to Ottawa, was accepted, it being the highest. It cost in service and other ways about \$200 to obtain the furs from the natives, and they were bought by Johnson for \$195.

MONTREAL LADY KILLED

MARRIED THAN MANY

Prof. Zuehlke, of Chicago, Alms Some Hard Blows at U. S. Marriages.

CHICAGO, July 22.—Professor Charles Zuehlke, of the University of Chicago, was amazed yesterday at the publication of a summary of the professor's lecture yesterday before the summer school of teachers, in which he was quoted as favoring "probationary marriages." "I am somewhat radical on the marriage question," said the professor, "but I never advocated probationary marriages." "Motherhood is the chief interest of the human race," said Professor Zuehlke in his lecture. "Unsexed animals cannot attain so high a degree of development as sexed animals. Sex is necessary. Without it the greatest progress cannot be made." "Gorky is more married to his wife than are many Americans of today. The attitude manifested by the American people toward him and his wife for she was just as much his wife as the laws of Russia would allow—seemed to be characterized by hydrophobia. At the very time that Gorky and his wife were ejected from the hotels, a third of the Americans there were in a much more objectionable state than he. Our society will not bear examination. To preserve the heritage of children and protect them, it is, of course, imperative that we have a legal marriage. As long, however, as we are so much concerned with the label than with the real thing, there will be this attitude toward marriage. Here are some of the professor's epigrams: "There can be and are holier alliances without the marriage bond than within it." "Marriage in the United States are nothing but property arrangements." "Women are merely dupes for men under the cloak of the marriage relationship." "Every normal man or woman has room for more than one person in the heart." "Our present attitude toward marriage makes friendship impossible." "Man is beefy and animal; woman hysterical and deformed." "Most people are dirty, physically, mentally and morally." "No clean-minded person can object to the nude." "Like politics and religion, we have taken for granted that the marriage relationship was right, and have not questioned it."

SAD DROWNING OF MAINE PEOPLE

AUGUSTA, Me., July 22.—Clarence, the 19-year-old son of Mr. and Mrs. Van Storey of Hallowell, was drowned today in Cascade Pond, Hallowell. He could not swim, but was persuaded to enter the water by companions, who promised to look after his safety. He jumped from the dam into the water, 15 or 20 feet deep and did not rise. The frightened boys attempted to save him by repeated diving, but were unsuccessful. The boy has not yet been recovered. LIMERICK, Me., July 22.—While in bathing with several companions today, Guy H. Furlong, 19 years old, son of Jefferson Furlong, was drowned in the Pond at Limerick Mills. The boy was recovered.
