A FATAL WRECK ON C. P. R. IN THE WEST

Rear End Collision in Which One Man Was Killed

Several Other Passengers Injured—The Second Accident at the Same Place in a Very Few Days.

NORTH BAY, Ont., July 28.—A rear end collision occurred at Helms, 42 miles west of North Bay, and 210 miles east of Port William, and as a result traffic has been demoralized since Sunday morning. The peculiar of this accident is that it is the second in twenty-four hours in a radius of four miles. On Sunday a sun-kissed rail put nineteen cars in the ditch at Pringle, blocking the main line until Sunday afternoon, when traffic was resumed, only to be further demoralized on Monday.

Pacific express No. 97, running in two sections, left North Bay with a heavy passenger list for the west on Sunday morning, and was delayed by a freight wreck at Pringle. The first section when the tracks were cleared, started on its journey and stopped at Helms. The second section, following closely, crashed into the train ahead, the engines plunging through the car-boose and tourist passenger car, smashing them into kindling wood, and tearing up the track for many yards. The collision occurred at three o'clock on Monday afternoon.

The casualties occurred on the first section, which was standing still when the collision occurred. Engineer Evans of the second section and his fireman jumped when, coming around the curve, they saw the train ahead, and escaped with their lives. No one was hurt on the second section. Mr. McCormack, a tourist from Belfast, Ireland, was instantly killed and the following injured: Millie Davis, South Esk, Man.; Chas. Arroy, Minots, Man.; Miss Florence Broad, Vancouver; Mrs. F. Hatcher, Winnipeg; Harriet Strong, Winnipeg; John Morse, Innisfail, Alta.; Francis Morse, Innisfail, Alta.; Aubrey Allen, Homefield, Man.

LISBON, July 28.—The government according to the newspapers of Lisbon has discovered and frustrated a wide-spread Republican plot for an uprising scheduled for today, the anniversary of the abortive revolt of July 28, which was suppressed by ex-Premier Franco.

This announcement follows a large number of mysterious arrests made during the past few weeks. Alfonso and Bernardino Machado, the Republican leaders, are among those under suspicion. They have not been taken into custody, but are kept under sharp police surveillance. Portuguese officials will say nothing of the details of the conspiracy, except that many are implicated including officers of the army.

CONSTANTINOPLE, July 28.—Now that the first rejoicings over the constitution granted to Turkey by the Sultan last week are at an end the people are beginning to discuss the future. They are clamoring against those high officials who were responsible for the abuses and injustices of the old regime. Public opinion is demanding a clean sweep, especially of the palace officials who are identified with the days of "Personal Rule."

The Sultan, it is now known, broke into tears at the conference on Thursday at which it was decided to grant a constitution. The situation is calm, but disturbances are still feared.

YOUNG WOMAN KILLED IN AN AUTO ACCIDENT

PHILADELPHIA, July 28.—While speeding in an automobile along Pennsylvania Road in the extreme southwestern part of the city early today, Miss Catherine Zeller, 19 years old, was thrown out and killed by striking a telegraph pole and the other occupants of the machine were slightly injured. The automobile was running along in a dark portion of the road when it crashed into a telegraph pole.

This evening Court Lancaster will meet in Orange Hall, Fairville. P. H. C. E. D. G. Lingley and others H. C. officers will be present and address the court. Old members are requested to attend.

BROTHERS HAD DIFFERENT IDEAS REGARDING SISTERS

One Wanted His Sister Out of Jail While the Other Wished Her Kept In for a Year.

In the police court extraordinary scenes take place, and during the last two days a few exceptional cases have developed. Yesterday a pretty young girl was fined 25c in default of appearing a term of two months in jail. Her offence was that of street walking and as she sat crying on the bench among a bunch of hardened criminals, her hard working brother walked up to the magistrate and said that he was sorry his sister had gained such a bad reputation, but she was his sister, and he would not see her remain behind prison bars. He said he hoped it would be a lesson to her, and that she might mend her ways. He paid the court eight dollars and took his wayward sister from the custody of the officials.

There was a different scene in court this morning when Laura Byron, a drunken street walker, was before the court. Her brother was in court, but he was not looking for her release. He was seeking to have her punished. The woman spends a great part of her life in the jail, and her offence is that of being drunk and disorderly. After she has served a few months in jail and is liberated, she remains quiet for a short time, then in company with some young men she proceeds to the outskirts of the city and gets heavily drunk. When intoxicated she becomes very disorderly and her male companions leave her. And then the police are given the trouble of arresting a woman who puts up a harder fight than most men. This morning the Byron woman appeared in court with her clothing badly disarranged. She had lost her hat, and her hair was hanging about her shoulders. Policeman Birchell, who aided in making the arrest, told the court of the disorderly conduct and how they finally had to take the woman to the police cells in a wheelbarrow. Acting magister Henderson said that the woman's actions were disgraceful and as she was frequently arrested she should be fined six months in the home of the Good Shepherd.

The woman said she did not care if she was sentenced to a term of five years, but that she would not do any six months in the Home. She further remarked that there must be a fine lot of policemen when they could not take a little woman like her without putting her in an old wheelbarrow. At this stage the woman's brother walked towards the magistrate's desk and asked the court if his sister could not be sent in for a year. The magistrate said that six months was the limit, and the brother slouched out of the court, saying, "Oh, well, that will do."

The woman laughed when sentenced and was hustled down stairs to the cells with the other prisoners. A couple of drunks were fined the usual amount.

INCENDIARY FIRE IN CHARLOTTE COUNTY

The Dixon Place at Mayfield Destroyed This Morning at a Loss of \$3,500.

ST. STEPHEN, July 28.—The farm house known as the Dixon place, situated at Mayfield, about a mile from town, was totally destroyed by a fire of incendiary origin at one o'clock this morning. The place had recently been purchased by Wm. H. Jackson, who had moved his furniture in and was preparing to occupy it. The buildings were entirely consumed with all their contents. The loss is estimated at \$3,500 with no insurance.

A FATAL ACCIDENT AT NEW STEEL BRIDGE

James Canney Instantly Killed by Falling Fifty Feet—His Body Badly Mangled.

James Canney Instantly Killed by Falling Fifty Feet—His Body Badly Mangled.

FREDERICTON, July 28.—Word was received in the city this morning of a fatal accident which occurred at Pokok shortly after four o'clock yesterday afternoon, the victim being James Canney, of this city, aged 38. Canney was employed by the Canada Foundry in the erection of the new steel bridge across the St. John at Pokok and while wheeling a truck he lost his balance and fell some 50 feet upon the rocks below. Death was instantaneous, the skull being fractured, and the breast being smashed by the fall. The remains were brought to the city this morning. The deceased was a son of the late William Canney, of St. Mary's and was unmarried. He is survived by three sisters and two brothers the latter being John and William of the city.

TROOPS CALLED OUT IN BOMBAY TO QUELL RIOT

The Military Here Had to Fire on the Mob Repeatedly.

BOMBAY, July 27.—Twenty thousand Indian mill hands went on strike here Friday morning out of sympathy with Ethak, the editor of a socialist newspaper shot, and who has been transported for six years. As was expected, much rioting took place. In the afternoon the riot assumed more serious proportions, and unfortunately many loss of life occurred. It looks as if a crisis had been reached in the long brewing unrest which has threatened the peace of the country for some time past.

The mob spread over from the mill district and held up the Poona mall road. They finally had to be driven off by volleys from the military. Europeans are feared and stoned whenever they appear on the streets, and when the police and troops made rescues, they were frequently obliged to use their revolvers. There have been heavy casualties as a result of the firing. All the available military, including the Volunteer Rifles and the Light Horse, has been called out.

MISSING EMBEZZLER GAVE HIMSELF UP TO POLICE

Henry W. Gazell Was Wanted for Theft of \$32,000.

CLEVELAND, Ohio, July 28.—Henry W. Gazell, wanted for the alleged embezzlement of \$32,000 of funds from the defunct Farmers and Merchants Bank, last night drove to police headquarters in an automobile and gave himself up. He was released at once in \$8,000 bail. Gazell would make no statement as to where he had been since the warrant was issued for him Friday night. Gazell reached headquarters at 12 o'clock last night. While arrangements for bail were being made the accused banker sat quietly by taking no part in the affair. He vouchsafed no explanation as to where he had been.

ATHLETES ENTERTAINED BY SIR THOMAS LIPTON

LONDON, July 28.—Sir Thomas Lipton entertained a party of sixty-five visiting athletes, among them many Americans, on his steam yacht Spin today. The party left London this morning and boarded the yacht at Southampton for a trip around the Isle and to view the yacht races going on there. The party will dine aboard the yacht and return to London tonight.

NOT AIMING AT THE ISOLATION OF GERMANY

Foreign Secretary Grey Makes an Important Speech

Out of Which Is Taken Much More Than He Said—Britain's Position Regarding Persia.

LONDON, July 28.—The Macedonia question was raised in the House of Commons last night. Sir Edward Grey, Secretary of Foreign Affairs, said that the situation had changed suddenly and greatly in the last few days as Turkey herself was going to improve the whole government and the country to benefit Mussulmans and Christians alike. It was better, he said, that the Macedonia question should thus be settled by the Turks themselves than that partial reforms should be pressed upon reluctant and obstructive authorities.

"We ought for the present," added the secretary, "to preserve an expectant and sympathetic attitude toward these changes." He deprecated the idea of intervention in Persia unless the Persian subjects became threatening. Sir Edward took occasion to repudiate in warm terms the idea that Great Britain's policy was aimed at the isolation of Germany or that she had any reluctance to be on good terms with Germany. He said that while Great Britain must be free to make arrangements like those with Russia and France, in order to remove the causes of friction, such policy implied no enmity toward other powers.

The foreign secretary's reference to Germany, which was drawn out by a discreet speech by Sir Charles Dike, was rather unexpected and was much canvassed afterwards in the lobbies, where it was regarded by many as intended to counteract the bad impression likely to be produced in Germany by Lord Cromer's speech in the House last Monday when he declared that it was the first duty of the government to prepare for the European conflict, which probably would be forced upon Great Britain before many years.

The inference was drawn that the government was desirous of arriving at an understanding with Germany similar to that already reached with France and Russia.

HOLLAND WILL NOT USE ANY VIOLENCE

Trouble With Venezuela Has Not Yet Gone Beyond Bounds of Diplomacy.

THE HAGUE, July 28.—The talk of a bombardment by Holland of any Venezuelan port or ports or even a naval demonstration in Venezuelan waters as a result of the difficulties between the Netherlands and the government of President Castro, was today characterized in official circles as premature. The rupture between the Netherlands and Venezuela, it was explained, was up to the present time, diplomatic only.

WILLEMSTADT, Curaçao, July 27.—M. De Roux, the former Minister of the Netherlands to Venezuela, when questioned today regarding his dismissal by President Castro, limited himself to saying that during his stay in Venezuela he was at no time molested, the members of the diplomatic corps and representatives of the Venezuelan station were present at the railroad station at Caracas when he left to come down to La Guaira and that the interests of Holland has been confined to the German Legation. M. De Roux is in quarantine.

DISASTROUS TYPHOON REPORTED AT HONG KONG

Several Vessels, Including a British Torpedo Boat, Were Driven Ashore.

HONG KONG, July 28.—As the result of a typhoon last night, which lasted two hours, the steamers Schuykill, Florida, La Sang, Charles Hardouin and the British torpedo boat Whiting are ashore. An unknown steamer and several lighters foundered. Fifteen houses in the town collapsed. There were casualties ashore and afloat, but few among the shipping, as the ships had been forewarned of the storm.

CANTON, July 28.—The Chinese steamer Ying King, engaged in the local passenger trade, foundered yesterday during the typhoon. Three hundred Chinese are known to be drowned, only twelve of those on board were rescued. The Ying King was of 28 tons, 39 feet long and owned in Hong Kong.
