YOU GET THE BEST WHEN YOU BUY OAK HALL CLOTHES, YET YOU PAY LEAST.

Our clothes have proved satisfactory to critical men for years, and they are better today than they ever were. They're clothes for looks and clothes for wear and we sell them to you 25 per cent. less than equally good clothes are sold anywhere else.

Take as an example these **Single and Double Breasted Sack Suits at \$10, \$12, \$13.50, \$15.**

The fabrics include Worsteds, Tweeds, Cheviots and Serges in a wide variety of the new effects, or **These Fall Overcoats at \$10, \$12, \$15.**

The Best Clothing for Boys.

We sell more fine clothing for boys than does any other store in town—Clothing of aristocratic style; out-of-the-common sort; exclusive, that's an absolutely knowable fact.

We are also sure of this fact—we sell more dollars' worth of boys' clothing than any other store in Saint John.

Every season's turn brings back careful mothers who have learned how much we can help them—and brings many new faces, too.

Reasons: Correct and commanding juvenile styles; Vast assortments; Always a complete line of sizes; Intelligent attention; Reasonable prices.

No use for pretense. The facts are blunt, plain and persistent. The mother of boys as a rule has to plan her expenditures; has to think out her whole problem; has to (if she is careful) think not only of present expenditures, but of how long the clothes will last. Here is common sense behind this clothing proposition and its growth. New styles showing.

Russian Suits, \$5 to \$7. - - - Buster Brown Suits, \$4.50 to \$7.
Eton Sailor Suits, \$5 to \$8. - - - Sailor Suits, 75 Cents to \$12.00.
Norfolk Suits, \$2.50 to \$6. - - - Single and Double Breasted Suits, \$3 to \$12.

TEARING DOWN SIGNALS does not delay storms. Opium-laden "medicines" may check coughs, but the cold stays. Do not trifle; when you begin to cough take Allen's Lung Balm, free from opium, full of healing power.

SUSSEX RACES.

SUSSEX, Oct. 5.—The races on Wednesday, the 5th, the 2.30 and 2.55 class, drew a fairly good attendance, the day being fine, but a chilly wind prevailed and made it a little cool for the spectators on the grand stand. The officials of the day were as follows: Judges, G. M. Hutch of Boston, C. W. Bell and B. McLeod of St. John; timers, Geo. Clark, S. Fowler of St. John and G. G. Polley of Moncton; starter, G. M. Hutch; clerk, S. A. McLeod, Sussex.

In the 2.30 class, of the 14 entries on the score card, Clayton, Jr., Pettit, codiac, Dell Estille, Wilkewood, Claudia Hal, Viola Mac, Daisy Dewitt, Isabel and Elm Bird were all withdrawn. In the first heat of this class the following horses started in position named: Estill Boy, 1st; Gertie Glen, 2nd; Clayton, Jr., Moncton, 3rd; Donnell, 4th; Annie Brevet, 5th; Montana Girl, 6th. The heat was hotly contested, with the following result: Annie Brevet, 1st; Gertie Glen, 2nd; Clayton, Jr., Moncton, 3rd; Montana Girl, 4th; Donnell, 5th; Estill Boy, 6th. Time, 3:1.2, 1.09 1.4, 1.45 1.4, 2.21 1.4. The second heat resulted as follows: Annie Brevet, 1st; Estill Boy, 2nd; Montana Girl, 3rd; Gertie Glen, 4th; Donnell, 5th; Clayton, Jr., Moncton, 6th. Time 3:4.4, 1.08 1.2, 1.44 1.2, 2.20 1.2. It was well contested and good work was done, and drew forth much applause from the spectators. The third heat was gotten under way after an expiring wait of nearly three-quarters of an hour, the starting of the horses, and resulted as follows: Annie Brevet, 1st; Montana Girl, 2nd; Gertie Glen, 3rd; Estill Boy, 4th; Clayton, Jr., Moncton, 5th.

SITUATION IN CAPE BRETON.

HALIFAX, N. S., Oct. 5.—The Liberals are evidently in despair as to the progress of the campaign in Cape Breton county. Discouraged by adverse sentiment of last night's opening meeting at Glace Bay, they today wired Minister Fielding and Premier Murray to come to their assistance. They will arrive probably on Saturday night. The tide of public opinion is setting in very strongly against Johnson, and his defeat is already considered certain by leading Liberals. The Liberals are holding a convention at Baddeck tomorrow for the nomination of a candidate for the north riding. D. D. MacKenzie it is understood, will pack the meeting in his own favor, and should this bear results, then a serious breach in the Liberal ranks in that riding will follow. Hon. William Ross is determined to run.

ROUNDS OUT THE FORM.

Persons who have become pale, weak and thin by overwork, worry or disease find that Dr. Chase's Nerve Food is wonderfully effective in forming new blood, restoring a healthy glow to the complexion and rounding out the form. You will soon feel the benefit of this restorative treatment and can prove it by noting your increase in weight.

TEST THE KIDNEYS.

Allow urine to stand in a glass vessel for twenty-four hours and if at the end of that it is clouded or has left a sediment in the bottom of the vessel you may be sure that your kidneys are diseased. As a means of investigating the action of the kidneys and making them strong and healthy, there is no preparation so prompt and sure as thorough as Dr. Chase's Kidney-Liver Pills.
