fulness of a contented mind evince itself in defe-

rence and submission to those who control your

ume, and in uniform good nature and courtesy to your companions in business. With such principles and resolution, and with reliazee on Divine

gle that appears more unequal, at first sight, than

that of a mana without connection or capital,

against a man who has both : yet there is no contest which so constantly terminates in favor of him who appears to have the disadvantage.—J. W. Alexauder, D. D.

A CURIOUS DISCOVERY IN THE CRINESE EM-

A CURIOUS DISCOVERY IN THE CRINESE EMPEROR'S PALACE.—A correspondent writes:—'Among the most curious discoveries made by the Allies in the Chinese Emperor's Summer Palace agas a suit of magnificentarmor, inlaid with gold, and the helmet surmounted with an enormous pearl (this suit is to be sent to the Emperor Napeleon;) a saloon furnished in exact imitation of Louis XV. decorated with nextrains of the laborated

uis XV., decorated with portraits of the ladies

of the court of the sovereign, the name of each lady being inscribed at the bottom of the frame.

The immense apartments were furnished and or

namented in the most splendid manner, and con-tained numerous articles of gilt. bronze, percelain

a manner as to produce most singular oma-

Gold and silver statures, representing the fan-

tastic incarnations of Buddha. were in great numbers. Of silks, velvets, lining carpets and other tissues, for the most part spoiled through neglect, there were enough to cover the walls of a pulace larger than the Louvre or Tuileries. This favorite dwalling of the Tarker coveries at each in the

ite dwelling of the Tarter sovereign stood in the imperial domain of Yuen-ming Yuen, which comprises an extent of nearly eight miles each way."

HEMLOCK BARK.—The grin ding of this article and thus preparing it for tanner's use by steam power, has been successful operation in Carleton.

tanneries wer-formerely in successful operation

the works have been co nsiderally diminished by

reason of the want of bark, which, in by-gone days existedin abundance. Where so extensive a mar-

extensivly pursued than at present, Every newly discovered source of honest industry, if judicously nursued, is a most sure to ad 1 to the material prosperity of the country in which it drives its origin.—New Brunswicker.

To RESTORE SCARLET CLOTH .- Scarlet facings

with fresh wat r, but the same coalineal twice; pint and a half offred liquor, to which when so

hot that the hand can be just borne in it, add one ounce of muriate of tin, to enchance the brillancy

of the color and give it a tendency, to fix in the

cloth. To restore the faded cloth, the dye must

be applied with a sponge; but at best, this is but an indifferent remedy, as, to get a fine color, the cloth must be boiled in the liquor itself;

and this, of course, involves tailoris work over

again. It is robable that the aniline and rosea-line made by Messrs. Perkins, of River terrace, Islington, London, will be found very useful for-this purpose. The extent to which the rosealine is used may be judged of by the numerous red stockings worn in winter, all of which are dyed with rosealine.—Septimus Piesse.

A paper before us states that during the 350 years the Paluce of the Tuileries has been a royal swelling, no French Sovereign has died within its walls. In connection with this fact another may be mentioned on the same authority. Ever since 15 33 every French Sovereign who has made the This right in the connection.

the Tuiteries his abode has been compelled, at some time or other, to quit the shelter of its roof.

A little boy in. Vermont, who is reported to

have swallowed a cent last summer which the physicians have been unable to dislodge, is said to be dying slowly of copper poison: his legs have become paralyzed and hais constantly graving weaker and weaker.

STUDY TO BE SUCCESSFUL.—To be succeasful and happy costs something. Assure yourself that if you yield to effend at suggestions you sink. Nobly determine, at the hazard of some weariness and some smart, to pass contentedly through trials and labours, till by honesty and persoverance you become a merchant. Consider how many a man, now in Wall street, came to town with all his personal effects in one bundle. Away with home sickness and querulous imbecility.—Tear up those whining epistles and write persoverance. Quash every disposition to make chances except where they tend to moral benefit, or knowledge of business. "It is ill transplanting a tree that thrives well in the soil." Let the cheerfulness of a contented mind evince itself in defe-STUDY TO BE SUCCESSFUL - To be successful BUSINESS: CARDS.
