On Board

a yacht, sail-boat, or any kind of vessel, there's a great deal of work that can best be done with Pearline, It washes all the paint, wood-work, glass, etc., better than anything else. Most captains have found this out—and Pearline is kept in foreign ports, now, on purpose for them. You can't use soap with

sait water, you know; but it doesn't make much difference salt or fresh, hard or soft, hot or cold—with Pearline. Bewate Peddlers and some unscrupulous grocers will tell you, "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, if your grocer sends ou an imitation, be honest—*send it back.*534 JAMES PYLE, New York.
