in Board of Trade Rooms  
at Meeting Yesterday Afternoon—Officers and Executive Chosen.

A meeting for organization purposes was held in the Board of Trade rooms yesterday afternoon, in connection with the proposed patriotic fund for the families of seamen, as inaugurated by the Montreal Harbor Commission. It was decided that it should be known as the "Patriotic Fund for Seamen," and the following officers and executive were elected: Hon. president, Lieut.-Gov. Wood; president, J. A. Likely; vice-president, G. S. Mayes; secretary, R. E. Armstrong; treasurer, Mayor Hayes; additional members of the executive, P. W. Thomson, H. C. Schofield, R. C. Elkin, A. W. Adams, E. T. Sturdee, C. B. Lockhart, J. F. Robertson, Joseph Allison, E. W. McCreedy, A. M. Belding, A. E. McGinley, Hon. J. D. Hazen and Hon. William Pugsley. President Likely outlined the aims of the fund as proposed by the Montreal Harbor Commission, and pointed out that nothing had been undertaken in the way of aid to the families of either the navy or the merchant marine, who were doing their share toward the winning of this war as well as the soldiers on land.

It was decided to have the next meeting on Thursday, June 29, and if possible have representatives here from other parts of the province and make the organization a provincial one.

## HAMPTON CONSOLIDATED SCHOOL CLOSING

High School Department  
Held Closing Exercises Last  
Night—Certificates Presented.

The public closing of the High School Department of the Hampton Consolidated School was held in the Association Hall of the school at 8 o'clock this evening. Hitherto the practice has been to have the closing for the whole school on the afternoon of the day preceding the last day of the term, but owing to the growth of the school and consequently the larger number of pupils taking part in the exercises a great deal of time is occupied making it tedious for the younger pupils. This year it was decided to adopt the new plan, using this evening for the High School closing and to hold the regular closing on Monday afternoon next. The following were the winners of certificates in the different High School grades:

Grade IX, first, Douglas Humphrey; second, Ella Bovard.

Grade X, first, Annie Gallagher; second, Roy Chipman.

Grade XI, first, Fred A. Patterson; second, Pearl Fraser.

The class prophecy was read by Albert Crandall, and the valedictory by Fred Chipman.

## CANADIAN CLUB HEARS TAX EXPERT

Prof. Chas. J. Bullock Ad-  
dressed Gathering Last  
Evening—Municipal Tax-  
ation His Subject.

The Canadian Club dinner last night at Bond's was not as largely attended, as the speaker and the subject on which he spoke would warrant. Prof. Chas. J. Bullock was the speaker and his subject, "Municipal Taxation," should appeal to every citizen. However, those who did attend heard a most enlightening talk on a subject which touches every member of the community. The following new members were elected: D. W. Puddington, Rev. George Steel, Urban J. Sweeney and E. Murray Olive.

His township Mayor Hayes occupied the chair and had on his right the guest of the evening. In introducing the speaker His Worship referred to the assistance he had been to the assessment commission in his labors and especially in the preparation of the report, and the framing of the law which they would present to the council.

It was, he said, of enormous value to the whole system seems to become affected in one way or another. The breath becomes foul, the tongue furred, the appetite becomes disturbed, nausea and vomiting occur, there is a rising and scurrying of food caused by the acidity of the stomach, and the stomach and bowels become distended causing flatulency. Unless these symptoms are met with immediately, dyspepsia or some other serious trouble is liable to follow, as a consequence.

That grand old remedy, Burdock Blood Bitters, has been on the market for the past forty years, and we claim, without any fear of contradiction, that there is not another medicine on the market which has done so much for the cure of all disturbances of the stomach. Miss Lillian E. Phillips, Plumwood, N.B., writes: "My stomach was so bad I was in pain and misery. I could eat hardly anything. I had been treated by skillful doctors for it, but they did me no good. I was giving up in despair when I happened to hear of Burdock Blood Bitters. You can't think how fast it helped me, for I had only taken two bottles before I was better. I will recommend your medicine very highly to all my friends and sufferers."

the report of the assessment commission would show that they had evolved a most admirable way of dealing with that subject.

As regards personal property and income tax the methods were very similar. While St. John made a very good showing in this respect they never had and never could collect the full value of the personal tax. He had heard the blame placed on the assessors, but the system was to blame, a tax which called for fifty per cent. of the income from an investment was practically a confiscation, and no man could be expected to pay more than his personal property. In up-to-date cities they taxed personal property about six per cent. of the income and wherever this system had been adopted the revenue of the city had been increased, because men were willing to pay a fair tax. The same thing applied to income tax. The present system bore most heavily on the small tax payer which was not fair. The only way to get a fair tax for everybody was to frame a law which was enforceable and then enforce it and everybody would pay their just share and no more.

### Prompt Action Prevented Fire.

But for the prompt action of the occupant of a flat in Elliot Row, a serious fire might have taken place yesterday morning. It is understood that after an oil stove, which is used during the summer, had been lit, the oil overflowed, caught fire and in a few seconds the stove and table upon which it was standing was one mass of flames, reaching to the ceiling. The occupant, however, procured several buckets of water and was able to put the fire out without much further damage being done.

### ENGLISH SHAREHOLDERS MAY APPLY.

London, June 23.—(Montreal Gazette Cable)—The London agents of the Shawinigan Water and Power Company have been notified by the treasury that English shareholders may apply for the new issue of shares recently offered.

## Stomach Was Bad.

Could Eat Hardly Anything.

When the stomach gets out of order the whole system seems to become affected in one way or another. The breath becomes foul, the tongue furred, the appetite becomes disturbed, nausea and vomiting occur, there is a rising and scurrying of food caused by the acidity of the stomach, and the stomach and bowels become distended causing flatulency. Unless these symptoms are met with immediately, dyspepsia or some other serious trouble is liable to follow, as a consequence.

## DORCHESTER GIVES SOLDIERS FAREWELL ON EVE OF DEPARTURE

Business Suspended, Schools  
Closed and Interesting Pro-  
gramme in Honor of Sol-  
dier Lads.

Special to The Standard.  
Dorchester, June 23.—June 23, 1916, will be remembered in the history of the shiretown as soldiers' day. Business was suspended, the public schools were closed, the town was decorated with flags and bunting, in honor of the departure of the soldiers' platoon of 18 men. Following them in the parade were 250 school children, carefully marshalled by their teachers, then came about twenty soldiers, decorated with national colors. After a march through the centre of the town, they halted before Hotel Windsor, when a farewell address was read on behalf of the citizens by Rev. Byron H. Thomas, from the balcony of the hotel. This address elicited an appropriate response from Lieut. E. M. C. Goodwin. After a few selections from the band the great crowd dispersed for dinner. The soldiers reassembled on the athletic grounds when a programme of sports was carried out. The ladies provided a very bountiful supper in Hickman's Hall, after which the band rendered a most inspiring programme in front of the Windsor Hotel. The band returned to Moncton on the Maritime express. The evening is given up to day in Hickman's Hall. A most enjoyable time is in progress. Dorchester has given the soldiers a most enthusiastic farewell. They leave for Quebec tomorrow.
