"THAT LITTLE GAME" — He's a Wise Old Owl.

Now listen, Sadie, when we sit down to play tonight you sit right next to me so I can tell you what to do. You don't know the game well enough yet, see. If you'd ask somebody else for a bit of advice they'd probably give you a bum steer. If either Gardner or his wife wants you to sit away from me just say you always like to be near me. Or something foolish like that. Smith always shows his wife so it's all right. But remember, manage to sit next to me, see.

ALL RIGHT! SAY, LOOK ACROSS THE STREET! ISN'T THAT BATES AND HIS WIFE?

Easy to Make This Pine Cough Remedy

Thousands of families owe to the remedy results, temporary and permanent.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several powerful elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose.

Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup.

To make the best pine cough remedy that money can buy, put 1/2 ounce of Pine (50 cents worth) in a 10-oz. bottle, and fill up with home-made sugar syrup. Or you can use clarified sugar, honey, or corn syrup, instead of sugar syrup. Either way, you make 16 ounces—more than you can buy ready-made for \$2.00. It is pure, good and very pleasant—children take it eagerly. You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be presently loose from the formation of phlegm. The Pine Cough Remedy is a highly concentrated compound of genuine Norway pine extract, and is famous for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for "50 ounces of Pine" with directions, and don't accept anything else. Guaranteed to give relief, or your money refunded. The Pine Co., Toronto, Ont.

Re-Establishment Of Canadian Forces

Distinguished Military Officers Assembled Yesterday—Organization of the Provincial Command Being Considered—Provincial Units Represented at the Meeting.

St. John had some distinguished military visitors yesterday in the persons of Major-General Sir William D. Orde, K. C. B., C. V. O., Major-General Sir E. W. B. Morrison, K. C. M. G., and Major-General W. G. Oatkin, C. B., C. M. G., and Brigadier-General Andrew G. L. McNaughton.

Sir William Orde has a long and brilliant record as a soldier in both the South African campaign and the present war; Sir E. W. B. Morrison, it will be remembered, is the last Canadian to be gassed for gallantry, and the first to receive the Victoria Cross for his services in the Boer War.

General McNaughton served in the staff of General Morison when the latter was commanding officer of the Canadian Second Artillery Division, at the front, and General Morison commanded a brigade in France.

These gentlemen are in the city for the purpose of arranging for the re-establishment of the Canadian forces which represented the provinces as units in the recent war, into an active militia on a peace-time footing.

A special meeting of all local officers, who had commanded units at the front, or who are the ranking officers of permanent provincial militia, was held in the armories yesterday, when the organization of the provincial command was considered.

Among the officers present were Major-General H. H. MacLean, Brig.-Gen. A. H. Macdonnell, Lieut. Col. W. H. Brown, Lieut. Col. W. H. Harrison, Lieut. Col. Armstrong, Lieut. Col. Gray, Lieut. Col. Frederick Wedderburn, Major J. A. Macmillan, Major H. H. Donnelly, Major E. P. R. Shewen and others.

These officers represent such units as the Corps of Guides, 62nd Regiment, the Machine Gun Corps, the 73rd Regiment, the 1st and 2nd Cavalry, the 1st and 2nd Infantry, the 1st and 2nd Artillery, the 1st and 2nd Field Ambulance, etc.

Another meeting will be held today when a definite organization will be planned and officers appointed.

Last night the visiting officers were entertained at the Union Club by their companions-in-arms in the city.

STOMACH AND LIVER TROUBLE

Once the liver fails to filter the poisonous bile from the blood, there is a clogging up and poisoning of the whole system which causes many troubles to arise. Therefore, upon the liver, more than any other organ of the body, depends the general health.

Carelessness and neglect, and oftentimes, wilful disregard of nature's laws will put the system out of sorts. The bowels become constipated, the liver inactive and the stomach upset. To bring the system back to its normal state, you should take Milburn's Laxative Pills. They live on the liver, get the bowels back to their proper condition and tone up the stomach.

Mrs. G. L. Cackett, Banchant, Alta., writes: "I have used Milburn's Laxative Pills and have found them good for both stomach and liver troubles. I have told others about your valuable medicine and they have used them with good results."

"They are also good for headache."

Milburn's Laxative Pills are 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

ENTERTAINMENT WAS GREATLY ENJOYED

Unique Programme Carried Through Last Evening by Young Ladies' Aid of Main Street Baptist Church.

The Young Ladies' Aid of Main Street Baptist Church gave a unique entertainment last evening. The programme was called a magazine one, each number representing a page of a magazine. Some very clever and well thought out characters were given. Among those taking part were Miss Waring, Miss Cowan, Miss E. E. Estlin, Miss Dorothy Christie, Miss E. H. Hutchinson, Miss Beryl Blanch, Mrs. Blake Peris and Mrs. Codner.

There were also several tableaux in which members of the Aid to Missions took part and which were greatly enjoyed by all. The attendance last evening was excellent in spite of the rain. A silver collection was taken.

CLOSELY CONTESTED DEBATE AT TRINITY

Young People's Association Discussed "Whether the Old Court House Should be Demolished or Should it be Remodelled?" — Affirmative Side Won.

A closely contested debate was a part of the programme of last evening's meeting of the Young People's Association of Trinity Church. The question discussed was "Whether the old Court House should be demolished, or should it be remodelled." The affirmative side was taken by Miss Roberta Holder, assisted by Miss Eugenia Holt and Charles Upham. The negative was upheld by Miss Helen Bailey, Miss Louise Bartch, and J. F. H. Toed. The affirmative side won by a very narrow margin.

The second part of the programme consisted in a humorous sketch entitled "The Jones Family," arranged by several of the younger members of the society. The characters were well taken and the little play was greatly enjoyed.

Ten members then put on a guessing contest, each of the ten being entrusted to represent the title of a book. Prizes were offered for those guessing the correct titles, the prizes being, first prize, A. C. W. Parlee; second, Miss Dora Jones.

Three delightful solos by Mr. Strickland, and a much appreciated piano solo by E. Freeman followed and the remainder of the evening was spent in games and informal enjoyment. Refreshments were served by a committee of ladies with Miss George Seeds as convener.

Halifax Man Gains Twenty-Five Pounds and Ends Old Trouble Taking Tanlac.

"When a man has had stomach trouble for years so bad he couldn't eat anything without just suffering agony and then finds a medicine that fixes him up in a few weeks' time, so nothing hurts him. I think it's time for him to talk for the benefit of others. Well, that is what Tanlac has done for me and more, for I am twenty-five pounds heavier than I was when I began taking it and am feeling just like a man made over."

The above statement was made by Frank Walsh, a stationary engineer, living at 62 West Street, Halifax, while in Kinley's drug store recently, and although remarkably, is by no means unusual, as many thousands in all parts of the American continent have testified to having used the medicine with the same wonderful results.

"For about five years now, that is, until I began taking Tanlac," he continued, "I have suffered almost continually with my stomach. I had no appetite and it seemed that every mouthful I would eat disagreed with me. There was a feeling like a lump of lead in the pit of my stomach and I would bloat up so with sour gas that I could scarcely get my breath. I would have terrible cramping pains and vomiting spells after meals and would be in misery for hours. Some nights I would hardly close my eyes for sleep, my stomach hurt me so, and I have had to get out of bed and walk the floor for hours trying to get relief so I could get a little rest. I have gone for weeks at a time with such an awful pain in the pit of my stomach that I could hardly stand it and I could scarcely retain enough of what I would eat to keep soul and body together. I was constipated all the time, had burning headaches, and was so weak and played out that I had to lay off from work two and three days at a time.

"It would be almost impossible to tell just how bad I did suffer before I got Tanlac. Why, I simply dreaded to eat, and I had fallen off nearly thirty pounds in weight. But Tanlac has changed things completely around for me. I thought from the way it was advertised, it was good, but I had no idea it was so fine until I tried it out. I have been taking it now for a little more than thirty days and can eat just anything without having a sign of indigestion and I don't feel there's a man in Halifax with a better appetite. I haven't felt so well in years and I mean to say by that that I haven't an ache or a pain of any kind. I feel like a new man. I am up in the mornings I would sleep over time. I don't have any more of that tired, no account feeling and have been putting in full time every day since right soon after I began taking Tanlac. After Tanlac has done so much for me, I would like to see any way to tell others about it. There's nothing too good to say that a medicine like Tanlac is sold in St. John by Ross Drug Co. and W. W. Munro under the personal direction of a special Tanlac representative.—Advt.

Carter, and two sons, Joseph M. and Harvey N. all of Salisbury; three sisters, Mrs. Charles Miller, of Carleton Place, Mrs. Abram Steeves, of Steeves Settlement, and Mrs. Elizabeth Cochran, of Lewis Mountain, and one brother, Thomas A. Her husband and daughter, Katherine, survive. Mrs. Boyle had frequently visited St. John, staying at Johnston's Hotel, Loch Leamond, and her amiable manner had won her many friends.

RIVER NOTES.

Steamer Majestic will make her last trip to Grand Lake for this season tomorrow. It has not been yet decided whether she will go on the river route for the balance of the season, but the probabilities are that she will supply the large steamer, R. J. Purdy on the Fredericton run, the latter vessel being withdrawn from the service this week.

Steamer Champlain will make a last trip for this year from the Upper James on Friday.
