SIR SANDFORD FLEMING

Condemns the Action of the British Government, and Says He Cannot Believe It Will Be Final-An Explanation of the Scheme.

OTTAWA, May 7-Sir Sandford Fleming has written a letter to the press which will appear tomorrow, regard ng the Pacific cable. He addresses his letthe Facilic suby. He addresses his six reviews the property of the radinc cable. He addresses his let-ter "to the British people." After giving the history of the scheme, he says that it is impossible to believe that the full and fluckly judgment of the British gov-ernment will be found in its latest offer, which would be looked upon as reced-ing from a common understanding with Canada, Australia and New Zealand,

Bruce, D. D., has taken up the project for a Presbyterian school for boys, will be received with general satisfaction.

An experienced teacher, with a genuine love for the work, he has, during all his relative has assually successful in istry, been especially successfel in department of it. Had the choice this department of it. Had the choice been left to those who are most interested in the movement, it is doubtful if been fift to those who are most interested in the movement, it is doubtful if any other so well fitted to make it a success from its inception could have been selected. That he has come forward of his own accord to inaugurate the scheme is an el ment in its favor.

Few movements have been so timely. We are not surprised that Dr. Bruce is already meeting with most encouraging success, so much so that the movement was already meeting with most encouraging success, so much so that the movement was alleady meeting with most encouraging success, so much so that the movement was all the formula will take place tomorrow afternoon at 2.30 o'clock from his father's residence, corner St. James and Ludlow streets, we stand the formula was alleady to the formula will be seen to the formula was alleady to the scheme is an el ment in its favor.

Few movements have been so timely.

We are not surprised that Dr. Bruce is
already meeting with most encouraging
success, so much so that the movement
is all but sesured. Some of the foremost in educational circles in Toronto
are taking a warm interest in the matter,
and the issuance of of a provincial prospective may soon be expected. Enquiries have began to come in, and the
prospects are that, should no unforseen
difficulty arise, the school will be open
with full departments in September
next.

The school will doubtless be situated in Toronto, and will have a staff of irstructors and an equipment that will place it at once in the front rank of resiplace it at once in the front rank of residential schools for boys.—Dominion

A Murderous Finn.

QUINCY, Mass., May 7—Herman Pyormi, a Finn, 1 ving on Clark avenue, was the victim of a brutal assault this and as he result, he may die. At pres ant he is at the Quincy city hospital in a dangerous condition. The assault took place in a boarding house. A number of finns were talking quietly together when, it is said, Crumpeh who was in the perty and was partially intoxicated, jumped to his feet and seized a bush hammer. Before any body could make cut what he was going to do, Crumpeh brought down the hammer with terrific force on Pyormi's horehead, the weapon penetrating the sku l. Crumpeh was arrested but denied committing the

Result of the Meat Inspection

BERLIN, May 8—The most unfortunate circumstances as regards American in-terests in the matter of the meat inspec-tion bill was the fact that there were neistent declarations in the United States that embalmed and po sonous meats had been supplied to the troops in Cubs. Representatives of the Grman land owning interests loudly declared that if the Americans saut noteon. would certainly send it to the Germans.

A bad result is that the bill as report-

Germany.

The bill as remodelled by the richstag committee also prop see to exclude from importation hams, hard and soft sausage and chopped meats, and pre-scribes that fresh meas must come in whole carcasses or contiguous parts. The United States embassy and the German government still hope that better countels w li prevail when the bill comes for discussion in the open richstag for its second reading, though the chances for the enactment of the government measure are very slim-

The style of hairdressing known nor as the Watteau promises to become as p ptler as the pompadour has been. There is rot a great difference in the two styler. The puff of hair in the Watteau irregular, and some loose curls escale from it. A large rose or talle chou may be pushed into the hair above one ear. Most young women are adopting this

A more mature manner of arranging the hair is the French twist, now re-turned to layour, says the Philadelphia Press. This starts in a loose roll, just as issuers of marriage, licenses for the above the nape of the neck, and the hair is piled over the forhead in a lot of short curls. The front hair is cut to form thick, irregular bang over the forehead,
The hair on the side is slightly waved,
but worn close. This is a dignified style
of coiffure, and many women look well in

distributed, or more potent for good than the Clover. The

and fine complexions, which lasted until late in life. Why? Because they did not dose themselves continually with medicines, nor use mineral poisons on their faces to try to cover up the effects of bad, impure blood. They had work to do, and must keep themselves well, and did so with these teas made from the herbs of the field. A German scientist, one of the leading physicians of the time, has revived the use of Clover in

medicine. This is known as Karl's Clover Root Tea, and is a veritable elixir of life,

for sinful Adam's sake, well knowing all the | gently stimulating the stomach and bowels, causing them to secrete naturally the various juices needed for the processes of digestion Among these herbs none was more widely

bowels open and regular, relieved the body of all waste, poisonous matter, which, if allowed to remain, taints the blood, frequently causing rheumatism. In other words, Karl's Clover Root Tea restores health by making pure blood, without which no one can have either strength or beauty. An absolute cure for sick-headache, backache and sleeplessness. Your money refunded if it fails to cure.

MINISTER TOLD HER

TO USE CUTICURA FOR BABY'S HUMOR.

My little baby broke out with a skin-disease. My little baby broke out with a skin disease.
Our family doctor attended the baby continually, but did her no good. I also tried a specialist, but he only temporarily relieved her, and eczema covered the child's face and body completely. While the child's sufferings-were most intense, the Rev. Mr. Stockbridge told me about CUTL-CURA. I commenced treating the child, with the result that our little daughter is now well of the disease. CUTICURA REMEDIES cured her.
Sept. 12, 98. Mrs. K. R. BLYTHE, Dallas, Tex-MOTHERS I To know that a warm bath with curticura SOAP, and a single anointing with OUTICURA, purest of emcilient skin cures, will afford instant relief in the most skin cures, with anord metant renet in the most distressing of tiching, burping, and sealy infantile humors of the skin and scalp, with loss of hair, and not to use them is to fall in your duty. This treatment means comfort and rest for parent as well as grateful relief and refreshing sleep for child, and is pure, safe, speedy, and conomical.

Sold throughout the world. Porrue D. & C. CORP., Sole Props., Loston. "How to Cure Baby's Skin Humors," free PIMPLES blotches, blackbleads, red, rough, oily akin, prevented by Cultura Soap.
