

Thirteenth Annual Report of Brampton Auxilliary of the W.F.M.S.

Meetings have been held regularly during the year on the first Friday of each month, with the exceptions of the months of July and August.

In April the Rev. Dr. Buchanan gave an interesting address on the Bheels of Central India.

Our annual thank-offering meeting was held in November. Mrs. MacRae, of Guelph, was present and gave an earnest and practical talk on the work in our own society. The thank-offering, amounting to \$35.70, was larger than the three previous years.

A bale of clothing valued at \$43.00 was sent to the Northwest Mission Schools in September.

Our membership is about the same as last year and numbers 72. Of these 21 are scattered helpers. The amount of money raised during the year is \$109.06.

We desire to place on record our appreciation of the services of our Scattered Helpers Secretary, Mrs. Hunter, who has removed from town.

While our meetings have been as well attended and as much interest has been shown as in previous years, we would urge on ourselves the need of individual effort. And that in every department of our work we many go forward and attain to a greater degree of prosperity and blessing in the coming year.
