THE CANADA DIRECTORY FOR 1859-60,
With a Map of Upper and Lower Canada;
To be published in September, 1859, provided a sufficient number of Subscribers be obtained.
PRICE \$8—PAYABLE ON DELIVERY.
PROSPECTUS.
In the last edition it was announced that the Directory would be re-issued in September 1859. The time has now arrived for taking steps for such re-issue, which the publisher would at once do without any preliminary, were it not for the loss he has sustained by the Canada Directory for 1857-58—lost of an entire edition, and he is compelled as a precautionary measure to ascertain what degree of support a new edition of the Directory would receive, before embarking more capital and involving himself in more anxiety in an undertaking that has already proved extremely arduous.

The universal interest manifested in the work when first projected, was such as to induce him carefully to organize a large establishment, with the immediate view of carrying on this work as his business, and the constant change taking place in this country, the Publisher has resolved to make public his intention of re-issuing the Directory if he can obtain, by the 1st of January next, such a number of Subscribers as will justify him in proceeding with the undertaking.

The Publisher regards the failure which attended the last edition as a great measure by the severe monetary depression which existed at the time of publication.

MOFFAT'S LIFE PILLS.
And Phenix bitters from all mineral Poisons.—Sewer of Counterfeits.—The great popularity which Moffat's Life Pills and Phenix Bitters have attained in consequence of the extraordinary cures effected by their use, renders it unnecessary for the proprietor to enter into a particular analysis of their medicinal virtues or properties. Having been more than twenty years before the public, and having the united testimony of more than Three Millions of persons who have been restored to the enjoyment of perfect health by them, it is believed that their reputation as the best vegetable medicine now before the public, stands on a firm basis. In almost every city and village in the United States there are many who are ready to testify to their efficacy in removing disease and giving to the whole system renewed vigor and health.
In cases of Scrophulous Ulcers, Scarcity or Eruptions of the skin, the operation of the Life Pills is astonishing, often removing in a few days every vestige of these loathsome diseases by their purifying effects on the blood. Fever and Ague, Dyspepsia, Dropsy, Piles, and all other ailments, will yield to their curative properties. No family should be without them, as by their timely use much suffering and expense may be saved.
