### Travel Accounts: Details of Actual Outlay required.

AUDIT OFFICE, OTTAWA, Dec. 12, 1895.

SIR,—In the accounts of Mr. William Gill, your inspector in British Columbia, for travel during 1894-95, there is a uniform charge of \$4 a day for living expenses, as well as a few additional charges for "room and meals."

In order to satisfy the requirements of the Order in Council of Feb. 6, 1893, an itemized account of actual outlay should be given. Please direct Mr. Gill's attention to this matter, and ask him to furnish the necessary details of outlay during the year referred to.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, Dec. 16, 1895.

SIR,—From the accounts of your expenditure for 1894-95, I find that \$12.50 a month was allowed to an exciseman at Belleville to cover travelling expenses to Corby's distillery at Trenton.

I beg to direct your attention to my letter of July 13, 1894, regarding similar payments in 1893-94. Please let me have your explanation of the failure to comply with the requirements of the Order in Council of Feb. 6, 1893, regarding travelling expenses.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue.

J. L. McDOUGALL, A.G.
