

Bears-Pandas bring home bushel of bouquets

Twenty-six members of the University of Alberta track contingent flew to Saskatoon last weekend to compete in the annual Sled Dog Open, and came back with their pockets full of ribbons.

The U of A athletes won a total of nine events, took second

in another two and finished third in three more.

In men's competition, both Ian Newhouse and Gerry Swan of the U of A won two events. Newhouse completed his double in the 300 and 800 metre events, winning the first in a time of 36.0 seconds and the second in a time

of 1.54.7. Swan took both the triple jump and the long jump, the former with a jump of 14.97 metres and the latter with a mark of 6.93 metres.

Of the U of A women present, jump specialist Janet Shulha was most successful, winning the long jump with a

leap of 5.52 metres and placing second in the high jump (with a mark of 1.55 metres).

Panda Sandi Herring also had a good meet, emerging victorious in the 800 metres (1:16.1) and taking third place in the 300 metres (with a time of 41.0 seconds).

Other first place performances turned in by U of A team members include Wally Dixon's victory in the men's high jump (with a leap of 2.00 metres) and winning performances by both the men's and women's medley relay teams. The men's medley squad, was composed of Helgi Syford, Dan Biocchi, Wally Dixon and Ian Newhouse. The women's team included Marry Bruzminski, Sue Farley, Janet Shulha and Sandi Herring.

Credible performances were also turned in by the Pandas' 4 x

100 lap relay team of Tracy David, Anita Bailey, Janet Shulha and Sue Farley. As well Dan Biocchi of the U of A finished third in the 80 metres with a time of 9.3 seconds while Mike Howser placed third in the men's shot put with a throw of 11.19 metres.

In the other track-related news, at least five final events originally slated for the Golden Bear Open will now be added on to the Edmonton Journal International Indoor Games schedule. Both meets are set to go during the first weekend in February (second and third) but the Golden Bear Open will be completed by 5 pm Saturday, with the Journal meet beginning at 8 pm the same day.

The five events are: women's 400 metres, 800 metres and 4 x 400 metres relay; men's 1500 metres and 4 x 400 metres.

Hockey Pandas at Varsity

Pandas drop a close game

The Panda Hockey Club failed to defeat Sunday at the hands of Ardrossan, in a game which showed some glaring weaknesses in concentration on the Pandas' part.

The team started the first period with intensive forechecking, implementing a system that is new to their game strategy. The Ardrossan club was effectively bottled in their own end for the entire first period, but the Pandas could not capitalize on offensive efforts until late in the first when Lois Walline

received a short pass up the middle from Shelley Noton and proceeded to waltz around three opposing players before neatly beating the Ardrossan goalie. However, this proved to be one of the few high points of the game for the green and gold.

The second period saw the Pandas take three penalties and Ardrossan five, with neither team scoring on power plays. Ardrossan did, however, poke in a shorthand goal midway through the second, and struck again with a full contingent in the

dying seconds of the period.

The Pandas threw all caution to the wind in the third, but did not manage to aid their cause as they played sporadic, catch up hockey. Ardrossan potted another goal at 11:48, extending their lead to 3-1, before U of A's Caroline Heslop found the net at 7:05 on a deflection off Yo Joly's driving slapshot.

The loss leaves the team with a 3-2-1 record and an uphill climb to a playoff berth. Two decisive games will be played this weekend at Varsity Arena; Friday night's contest against Capilano and Saturday's against the Gee Bees. Both games are slated to begin at 7.

The Pandas have been invited to the Second Annual Western Interscholastic Women's Hockey Tournament at Saskatoon February 24-26. The U of A team bowled over all opposition last year to bring home the trophy, but competition looks tougher this year with an increased number of Canadian teams as well as some American delegates being added to strengthen the tournament format.
