11 THUMBS DOWN BRUNSWICKAN

ENUMERATION - YOU?

Little slips of paper appeared Monday in U.N.B. mailboxes as enumerators prepared the voting lists for the April 8 federal election. The initial lists will be posted in about a week for the purposes of correction.

The *Brunswickan* today interviewed Chief Returning Officer Norman Pearson in order to assist U.N.B. students in preparing to vote. If your name is not on the lists (i.e. if you have not got an enumeration slip), you can have it added within the next two weeks by calling Mr. Pearson at GR 2-6710.

According to the Returning Officer, anyone at U.N.B. who is a Canadian citizen and who will be 21 on or before April 8 has the right to vote. In addition, any British subject who has been in Canada since February 6 of 1962 will be able to vote. This includes students from all the Commonwealth countries.

There will be at least two polls on or near the campus available to students, whose location will be announced later. If you have any difficulties concerning the election, you can phone either the headquarters of the party of your choice or Returning Officer Pearson. Either will be happy to give you information or assistance.

LAS VEGAS

What is the Monte Carlo, you ask? It's Canada's answer to Las Vegas. You can beat the roulette wheel, take the house at black jack, become a millionaire at a roll of the dice or at any of the many other games available. For a rest from gambling you can dance to nice, dreamy music.

Again this year the free-wheeling fun will be in the gym. The show gets on the road at 8:30 p.m., Friday, March 1st.

S.R.C. NOTICE

In compliance with Article V Section 18 and 19, the S.R.C. shall require all campus organizations except the *Brunswickan* and Yearbook to hold their elections of officers not later than March 15. The staffs of the *Brunswickan* and Yearbook shall elect their officers not later than March 25, subject to the approval of the Applications Committee and subsequently to the S.R.C. The president and heads of all above organizations shall submit to the S.R.C. names of the officers they have elected.

Sandy LeBlanc
President/Elect
S.R.C.

Of course you are probably wondering how much it costs. Actually we pay you! You pay \$0.50 at the door and we will give you \$5,000 worth of Monte Carlo money. A better bargain you'll never find.

So everyone come to an evening of fun. You can dance or gamble or both if you wish. If you miss it ——— ridiculous, no one misses this major event of the year! We'll see you Friday, March 1st at the annual Foresters Monte Carlo. You will have fun!

Devils, Saints, Tie 3-3

In a lack lustre game played Monday night in which four goals were scored in five minutes of play, the U.N.B. Red Devils scored a clutch goal with less than two minutes to play to tie St. Dunstan's 3-3.

The game was characterized by lack of spirit and poor passing, with the Devils showing signs of their actual capabilities only in the beginning and dying minutes.

34-28-7

A survey was conducted Sunday evening in the Lady Beaverbrook Residence, to ascertain what percentage of the men were virgins. The subject had arisen in a bull session, and some of those present set up the survey.

Ballots were distributed to every house member available, with the instruction that they were to be marked in secrecy, and that the answers had to be honest if the result were to mean anything. Of the 69 ballots collected, the results were:

34 Virgins	(49.3%)
28 Non-Virgins	(40.5%)
7 Did Not Answer	(10.2%)

The organizers of the survey requested that the results be published, so that any of the other seven residences might conduct similar surveys, thus arriving at a more accurate result through a broader sample.

QUEBEC, SI? . . .

What are the causes of Separatist sentiment, and how can it be countered? Is Separatism the sentiment of most of the French, or it is only the feeling of a vocal minority? What changes are taking place within French Canadian society, and what effect will they have on the nation? Can we ever be one Canada, or will we always be English Canadians and French Canadians?

You are invited to hear these and other questions discussed at a panel discussion entitled, "The French Canadian Revolution", which will take place Tuesday, February 26th in the Tartan Room of the Students' Center. The panelists will be student representatives from four French Canadian universities in Quebec and New Brunswick.

Each student has been asked to speak on a particular aspect of the subject; after each speaker has spoken, the floor will be open to questions from the audience. The panelists are well acquainted with the subject, so their answers should be interesting and to the point. Plan to attend, and prepare questions in advance.

This discussion is being organized by the NFCUS at U.N.B. as our first step in increasing contact and understanding between the French and English people of Canada. As the provincial university in a province which is roughly half English and half French, the University of New Brunswick has a unique status, and is the natural place to begin such a program; we believe that this discussion will be a successful beginning of this program by introducing English people to French views with which they seldom otherwise come in contact.

Plan to attend this discussion; it should prove to be one of the most interesting panel discussions heard at U.N.B. for a long time. Your presence and questions will be welcome, and the answers should be interesting.

ATTENTION HOCKEY FANS

At the Feb. 4 meeting of the SRC, the president was asked to obtain approximately 50-75 reserved seats for the coming U.N.B.-St. Thomas hockey game in Chatham.

The St. Thomas student's union has kindly replied to this wish—"We will reserve the required number of seats until the commencement of the first period of play. After that time the seats will be open to the public." I would like to thank St. Thomas for their assistance.

Tom Calkin, SRC

Eleven members of the SRC turned thumbs down on the *Brunswickan* at the last meeting. They voted to stop publication at the break-even point.

The *Brunswickan* went to the SRC to inform them that they would be about \$500.00 in the hole. This was caused by an unforeseen avalanche of national ads to the paper which had to be printed. Ad rates were raised by the *Brunswickan* last year, but not enough. Also, the amount of copy which had to be printed necessitated larger papers than had been anticipated.

An attack on the *Brunswickan* representatives was led by Vice-President Sandy LeBlanc, Dan Mersich, Brian Copeland and the Treasurer Dave Munson, two of whom said, before the meeting, that they "were going to give Bell a rough time." These people felt that any deficit would endanger next year's council. They also maintained that the SRC had no money.

The *Brunswickan* felt that stoppage of the *Brunswickan* three issues before the end was unfair to the readers. Next year's *Brunswickan* was placed in jeopardy because they will be forced to break contracts signed at the beginning of the school year. The *Brunswickan* was given an unrealistic "unforeseen" in its original budget, of \$20.00. Radio UNB had been given several hundred dollars over their budget, the week before. It was also felt that it was more of a personal attack on the editor, than a financial issue.

SLAVES?

Yes, each year the slave trade returns to U.N.B. and it is that time again — Saturday next, February 23rd in Lady Dunn Hall dining hall. Everyone must come and bid for a slave whether for the group or for yourself.

The object is to auction off as many people as possible at the highest bidders. The funds raised all go towards U.N.B.'s donation to the international programme of World University Service. These proceeds meet the needs of student lodging, student health, educational activities and facilities, and individual emergency aid. There are millions of students in the world today who

are so much less fortunate than ourselves. Why should they be deprived?

Pool your savings, buy a slave and have your laundry done, that essay typed, your apartment cleaned, or any other useful undertaking. This is a real auction — everyone bids, not just you but why not get the group together (remember Jones House last year?) The more the merrier!

Let's see everybody at Dunn Hall to bid for all the girls (about thirty of them), a few brave professors (how about an extra tutorial) and even some fellows (for the girls). Your slave is required to work for you for three hours at a convenient time. A good deal? You bet! (I mean bid). And a good cause too! See you there!

IT'S UP TO YOU!

At the SRC meeting, Sen. Rep. Fred Beairsto said that he did not think that the SRC decision concerning cutting off the *Brunswickan* was the wish of the student body. He suggested that the only way to correct this was to organize a petition to the Council.

If you want to see the *Brunswickan* for the next four weeks, then we publish below a petition form. It is designed to be cut out and attached to a sheet of paper, with the signatures of all those who want to see the paper continued. The completed petitions must be handed to the people listed below by FRIDAY NOON.

Fred Beairsto, CE5
Jim Wallace, Jones House
Charlie English, Aitken House
Barb Taylor, Lady Dunn
Desmond Green, Harrison House
Ed. Bell, L.B.R.

Any member of the *Brunswickan* staff.

The completed forms are to be delivered to the *Brunswickan* office as soon as possible after Friday noon. People are requested to sign only once. 450 signatures is the minimum needed to force the SRC to either reconsider or hold a referendum.

We, the undersigned, want to see the *Brunswickan* continued to its regular cutoff date. We ask that the SRC reconsider its decision, as per Article X, Sec. 7 and 8.
