

Lorne Park tyke Reps pad record

Lorne Park Coldstream tykes collected five of the possible six points while extending their unbeaten streak in Metro Toronto Hockey League action to three straight games. The Lorne Park rep squad capped a productive week with a 2-1 victory over Ted Reeve Sunday afternoon. This away win followed a mid-week triumph by identical score over Wexford Main Electric.

Coldstream dropped its only point in a 1-1 tie against Queensway early in the week.

Murray Duck's breakaway goal early in the opening period provided Coldstream with its first goal against Ted Reeve. Mike Pilmer connected on passes from Kevin Start and Don Circa for the winner, as the Lorne Park side needed an outstanding defensive effort to collect two points.

Circa and Pilmer had a goal and an assist each as Coldstream had the steam for a 2-1 win over Wexford. Start had an assist.

Goalkeeping does it

Sharp goalkeeping by two netminders enabled Mississauga peewee AA Christies to post shut-outs in back-to-back Metro Toronto Hockey League encounters.

Ken Moffatt was in goal when Christies blanked Toronto Blues 2-0 on goals by Kevin Charbonneau and Peter Lomas. Russell Foster assisted on both markers.

Danny Barrett took over netminding duties for Christies second MTHL game against Wexford Main Electric and proceeded to short-circuit the opposition, 3-0. Doug Trimble, Rick Crout and Lomas accounted for Christies' scoring power.

Minor atom B Scotts chalked up the biggest rep win, 11-0 over Cawthra.

Harry Banks collected four points on three goals and an assist. Other notable performances came from Mike Kalapaca, Ricky Varano, Keith Henderson, Scott Milne and Tom Cooper.

Tyke AA Fastrite Flyers were flying high during their only game, a 2-0 win over House Teak. Glenn Howell and Glen Martin scored.

Coach Bob Herron's atom B PCO's also had a shut-out, 4-0 over North York Rangers. Mark Cooper led the parade with a pair, while Steve Vank and David Hanafin added singletons.

Bantam AA Custom Concretes had a busy but productive week with three wins in the same number of games. They beat Red Wings twice (3-1 and 7-1) and followed with a 4-1 triumph over York Mills.

Bill McCarthy sparked for the Concretes side.

Cesare strikes in Thomsons bowling

Cesare De Sante and Her-man Wessels were the top men of the holiday week as competition continued in the W. H. Thomson five-pin bowling.

Steady bowling enabled De Sante to turn in a strong 962 high triple flat score and a 989-pin triple with handicap to go with his top single flat of 380.

Wessels won the high single handicap category with 418, good enough to give him the weekly prize money.

Korn Auto Parts rolled high single team and high triple game team totals.

Smith nets three goals in Malton atoms' win

Persistence around the net paid off for Leslie Smith, who fired a hat trick in leading Malton to a 5-1 win over Dixie in Mississauga Hockey League atom major play. Ed Konieczny and Frank Stangl improved Malton's position with goals and David Swail scored for Dixie.

Bill Crerar fattened his average with two goals and two assists and David Lee also added a pair when Erindale overwhelmed Cawthra 5-1. Bruce Cosky got the other Erindale goal and Darrell Clancy scored for Cawthra.

Karmin Kolia and John Hunt finished off plays for Lorne Park as they beat Applewood, 2-1. Gord Reid hit for the losers.

ATOM WHITE
Cawthra's Raymond Gauci sank Malton 5-1 with two goals and Rob Palo and Kevin Johnson added others for good measure in a 4-2 win. Bruce Lees and David Curia scored for Malton.

ATOM RED
Seven was Dixie No. 30's lucky number in atom red as they throttled Lorne Park, 7-0. Paul Smith and Wayne Banons scored twice and Nick Chares, Nigel Betts and Dave Kelly also connected. Andy Hinton enjoyed the blanking.

Greg Dixon's hat trick and an auxiliary pair of goals from Jim Hickman powered Dixie No. 28 past Clarkson A-2, 5-2. Leavers and Bruce McAlpine hit for Clarkson. Peter Woodside clicked twice and Chris Invidiata once when Cooksville pasted Malton, 3-0. Cunningham got the zero.

Malton and Dixie tangled in a 4-4 deadlock. Gary Coye fired in two for Malton and Vince Allen and John Colantonio chipped in with the others. K. McKeary scored once for Dixie but it was B. Arbeau's hat trick that kept them in the contest.

Steve Hendry, Mike Pequenza and Brian Mellan each picked up a goal as Malton bested Dixie 3-1. Bobby Arbeau scored for Dixie.

Jeff Bradford and Chris Merkle managed all the scoring when Erindale offset Dixie No. 30, 1-1.

Glenn Cassista fought through the defence for one tally but Don Schwarz and Jim Haldane's goals combined with two goals from Rod Kay gave Cawthra a 2-2 victory over Clarkson A-2.

John Danby... former Dixie Beehive centre

All's dandy for Danby

John Danby is back on the beam again.

Boston University hockey team's outstanding centre from Port Credit snapped out of a pre-Christmas scoring drought and fired three goals in two games against Princeton and Ohio University to become top point-getter of the unbeaten Terriers.

He had 11 points in the first five games of the U.S. collegiate hockey season and seems a sure bet for post-season all-America honors.

John is the son of Mr. and Mrs. Frank Danby, Front Street, Port Credit.

Danby was chosen to captain the 1971-72 edition of the Boston University team, which is looking for its second consecutive championship title. He was an obvious man for the role of skipper, coming off sophomore junior seasons in which he scored 25 and 28 goals respectively.

He centres the Terriers' highly effective power play and is one of the best forecheckers in the league. Late in the game when the going gets tough and Boston University needs a goal, Danby is the man the Terriers look to.

Enrolled in the university's School of Education, John is majoring in physical education. He would like to continue his hockey career and play at pro level.

Cawthra bantams unbeaten

Cawthra earned three points in Mississauga Hockey League bantam major by beating Cooksville and tying Dixie.

In the first game Tony Racioppo and Pat Wilcox slid home markers in a 2-1 contest. Tony Vadija scored for Cooksville.

Goals from Pete Money and Peter Willis for Dixie were offset by Tom O'Malley and Wayne Wiscombe in a 2-2 deadlock.

BANTAM RED
Mike Vassallo's stick and glove work were superb as the Lorne Park goalie blanked Cawthra to highlight the bantam red schedule. Ken Somerville rapped in two for the winning Earl Clark Realtors squad and Clare Steele and Brian Allard sent home singles.

Shutouts highlight junior league

A pair of shut-outs highlighted the Mississauga Hockey League's junior division schedule.

Gary Wedgewood kept the Dixie team at bay while his Malton teammates Dan Cross, Jim Armstrong and Chris Beck connected at the other end. Mike Worona scored two others for the winners in the 5-0 win.

Phil Jestin prevented a Clarkson shut-out by scoring for Cooksville. Terry Monesto slapped in one and Bill Moreau crammed in two for the 3-1 winners.

Chris Ball had a royal time stopping Port Credit Riverside Motors shooters. Wayne Keir, Ron Richards, Drew Goddard and Lee Olsen made the final count read 4-0 for Applewood.

Enrolled in the university's School of Education, John is majoring in physical education. He would like to continue his hockey career and play at pro level.

HODAKA 1000 FOR '71

The Hodaka "Ace 1000" carries on the tradition of the Model A Ford. The Hodaka's development can be likened to the Volkswagen in terms of steady development of the same basic engine and chassis. The machine's intended market and use, though, is more like the original Army Jeep. When you find a motorcycle that can be compared to what has proven to be the most reliable and just plain lovable four wheeler, you can expect to find an enthusiastic group of owners.

Keep fit sessions set

"Get into shape," hinted Health Minister John Munro recently, telling Canadians that our state of fitness (physical fitness, that is) is not good enough to be discussed in serious terms.

The Mississauga Recreation and Parks Department seems to have taken Munro's plea to heart and set out a program which will enable ladies to stay physically fit this winter.

There will be exercise classes every day of the week beginning the third week of January. These exercises, done to music under the leadership of a qualified instructor, will be followed by refreshing swim periods.

Classes will be held at Huron Park with gentle gym and swim Tuesday mornings (9:30 to 11), gym and swim on Wednesday and Thursday afternoons (2 to 3:30) and slim and trim classes Monday and Friday mornings (9:30 to 11).

For further information, call the Recreation and Parks Department at 279-7600, ext. 309.
