Dear Sir,

The Governors of Stowe School are very anxious that the eyes of the boys should be turned to the Dominions and would very much like to know if you could make it possible to have a run down in the Car to plant a tree and say a few words. It is a delightful run through Disraeli's County and might be a refreshment after a spell of London! and Conferences! October the 27th is suggested but any date this is suitable to you would be arranged and the invitation includes any of your staff. Lord Gisborough very much hopes you may come.

Yours sincerely,

*Walter Paighill*

Secretary.
