Sir

I have the honor to inform you that the 1000000th volume of the *Journal of the Geological Survey of Canada* has been forwarded to you by express for Canadian postage. The volume is bound in cloth and is of a size which will fit in your pocket. It is a very interesting and useful volume and will be well worth a perusal.

I have the honor to be

Sir,

Yours obedient servant

Geo. C. Desautels,
 Indian Commissioner,
 Regina, S. M.

Deputy of the Dept of
