Ottawa 20th May 1902-

Sir,

In reply to your letter of the 1st Instant, reporting Settler's Licenses, I have to return herewith the application by Mary Falls shewing improvements to have been made on Lot 23, Con. 19, Dawson, as upon reference to the plan of the Township of Dawson in the Department, it is found that there is no such Concession as No. 19 in that Township. You will be good enough to have the necessary amendment made to the application and forward the same to the Department.

With reference to application for License covering Lot 29, Con. 6, Burpee, by Colin Campbell, Jr., I have to inform you that as this lot has been under sale 913, since December 1881 with only one instalment paid, that several notices and extensions of time have been given, the Department will require fuller information in regard to the statement in the application that the house which was erected on the lot has been taken down and moved off the lot.

Your obedient servant,

J. H. Thorburn, Esq.
