Ottawa, 10th November, 1913.

Sir,-

In view of the report contained in your letter of the 1st instant, regarding the death of Mitchell Joe, I beg to say that you may furnish relief supplied to the value of \$1.00 a week for the support of his family. You should make arrangements as soon as possible with another Indian family to care for Joe's children. Necessary clothing may be purchased for them.

The house in which the deceased Indian lived should be thoroughly fumigated owing to the fact that he died of tuberculosis.

Your obedient servant,

Asst. Deputy and Secretary..

S. P. Waite, Esq.,
Indian Agent,
