Ottawa, December 6, 1917.

Sir,-

The Department is in receipt of a communication from Mrs. A. Tierney, late teacher of the Pound-makers Indian Day School, in which she states that she has not received her salary for the cooking and serving of the midday meal during the month of September last, as well as payment of her services for cleaning the school and teacher's residence.

An account was received from you for the cleaning of the school and residence amounting to \$2.00, and a cheque for this amount was sent on the 29th ultimo. No account has, however, been received for the amount due Miss Tierney for the cooking and serving of the midday meal. If there is any amount due her for this service you will be good enough to forward properly certified vouchers in duplicate, as soon as possible, in order that payment can be made.

Your obedient servant
