

OFFICE OF THE PRIME MINISTER

122

MEMORANDUM for the Prime Minister:

Re: Sansom Report

C229057

In view of the persistent misrepresentations of his own report by General Sansom during the campaign as exemplified in the attached clipping, would it not be well to have the report tabled at the beginning of the new session?

July 6, 1945

J. W. P.

*Certainly
I have not seen
matter relating to
session
Covering reports
also with re speech
on address
