QUEEN VICTORIA
USES
SUNLIGHT
SOAP

In all her Royal Laundries, and Her Majesty graciously conferred the title of "SOAPMAKERS TO THE QUEEN" upon the manufacturers of this soap—the only honor of its kind ever conferred by Her Majesty upon a laundry soap firm.

The beauty of the damask used upon the Royal Tables is world-renowned, and the soap used for washing it MUST be the best the world produces,—THAT SOAP IS SUNLIGHT.

Therefore, those who value their household linen and all other fine washable goods, cannot do better than follow the example of our Gracious Queen and have them washed with SUNLIGHT SOAP.

**A PURER SOAP IS BEYOND
THE ART OF SOAP-MAKING.**
